## BECAUSE ART MATTERS

The Woodlands Arts Council (TWAC), a 501(c)3 non-profit, celebrates 20 years of Making Art Matter in The Woodlands and Montgomery County, contributing over \$1.5 million to support arts education and artists. This remarkable impact is only possible through the incredibly generous support of our community, volunteers, donors, and sponsors.

## TWAC PROGRAMS & EVENTS

In addition to the Public Art Project, TWAC produces several events and conducts diverse programs to fulfill its mission of providing regional cultural and educational enrichment opportunities that encourage, support, and promote the performing and visual arts.

**Events** The Woodlands Arts Council produces The Woodlands Waterway Arts Festival, the Young Makers Market, and the Texas Fine Craft Show.

**Student Art Scholarship Program** supports young artists, awarding nearly \$500,000 over 20 years to graduating seniors who have carried their creativity to schools worldwide.

The **Microgrant Program** enables and supports artistic projects across distinct areas, such as the performing arts, art educators and organizations, and individual artists or groups looking for growth and education.

**Exhibitions & Workshops** We organize art exhibitions and a range of workshops in our office gathering space, allowing the community to experience and appreciate art in its many forms while connecting with other art enthusiasts.

**Art Lover Membership** provides essential support for our community programming and helps us make art matter daily. Art Lovers receive tickets & perks, exclusive invitations to Art Lover-only networking

“PUBLIC ART IS A REFLECTION OF HOW WE SEE THE WORLD –  
THE ARTIST’S RESPONSE TO OUR TIME AND PLACE COMBINED  
WITH OUR OWN SENSE OF WHO WE ARE.”

– THE ASSOCIATION FOR PUBLIC ART

---

Supporting George Mitchell's vision, the founder of The Woodlands, along with The Woodlands Arts Council's (TWAC) mission to enhance public art and foster the creative economy, 39 unique art pieces have been commissioned and installed across The Woodlands in collaboration with The Woodlands Township and Howard Hughes.

Take a leisurely walk from The Woodlands Mall to Town Green Park, or explore Hughes Landing, Northshore Park, and Rob Fleming Park to appreciate the beauty and functionality of these distinct pieces of public art that local, national, and international artists designed. Local businesses and individuals have underwritten all of the artwork.

This ongoing initiative infuses creativity into the community, enriching public spaces. The Woodlands proudly boasts one of the largest public art collections in Texas.
