## @ 1 Choice of 2024 Fall Calving First Calf Heifers

Few names are as synonymous with Charolais as the Thomas family of Raymondville, Texas. Since 1936 the Thomas family have developed a cowherd with the pillars of Adaptability, Fertility, Milking Ability, and Beef Production. Never losing sight of these guiding principles, they have created a lasting mark on the Charolais breed and the beef industry. This selection allows you, the buyer, access to the entirety of the 2024 Fall Calving First Calf Heifers. These are the females destined to create the next generation of this great cowherd's legacy. Choose between 65 females with calves at side! All heifers are tested PA free and selection must be made by May 1, 2025. Mitch and Tonnyre invite you to visit the ranch in South Texas to take advantage of the generations of dedication this family has invested and select the next addition to your great herd now!

**Presented by:** Thomas Charolais, Inc, Raymondville, Texas — Mitch Thomas 956-535-0936 and Tonnyre Thomas Joe 956-535-0942

## @ 2 Choice of Summer Born Show Prospects

### BIG HOUSE SHOW CATTLE

IOLA, TEXAS

Big House Show Cattle has emerged as a successful young operation in recent years capturing honors throughout Texas and the wider world. The beautiful thing about stock shows is that the July class ribbon or trophy is the same size as the spring born classes. Big House Show Cattle is pleased to offer the pick of their 7 summer born heifers before the gates are opened for private treaty sales. Included in this set of females are 2 Brightside calves out of Mamie 8001 daughters, 4 Big Game Hunters out of Outsider x Mamie 8001 daughters, and a natural born daughter of Big Game Hunter and the Firewater donor, dam of the successful Sears heifer being shown throughout Texas. Make your selection and find the calf of your dreams before anyone else even gets through the gate! Heifers are all polled, halter broke, and with excellent dispositions. Selection must be made before March 1, 2025.

*Big Game Hunter*

**Presented by:** Big House Show Cattle, Iola, Texas — Braden & Nicole House 979-676-1450

### 3 Donor

## TR CC NOT FINISHED YET 1754 ET EF1136277

TR MR FIRE WATER 5792RET  
x THOMAS MS IMPRESSIVE0641

CE	BW	WW	YW	MHI	TSI
7.0	-0.4	51	99	50	246.97

Rarely do we get the chance to buy a proven donor who has had as much success as we have seen with 1754. Arguably the most influential

matings ever in the history of the Charolais breed was Fire Water x Ms Impressive 0641. With so many progeny gracing the records of AICA, it can be challenging to choose a favorite. But there is one that rises to the forefront when you talk about revenue generating, proven results, and progeny achievements. TR CC Not Finished Yet 1754 ET is one of those females who has proven herself time and again not just in her home state of Texas but nationwide. 1754 is best known as the dam of LJR Just A Starting 2376E ET who was crowned the Supreme Champion Junior Heifer at BOTH the American Royal and the Tulsa State Fair as well as Grand Champion Charolais Female at the National Western Stock Show. She went on to be in the mix for Show Female of the Year. With 40+ progeny on file TR CC Not Finished Yet 1754 ET has a long list of accomplished progeny and now you can add yours to the list. Selling this fantastic proven donor in her entirety.

LJR Just A Starting 2376E ET

### 4 Donor

## LJR MS TIGER LILLY 2041C ET EF1206971

TR PZC MR TURTON 0794 ET  
x TR MS SMOKETTE 6758S ET

CE	BW	WW	YW	MHI	TSI
12.7	-0.8	53	91	57	254.32

When Jeff called and said I have something special for the Cowtown Sale, I knew it would be just that - special. Jackson Cattle Company have decided to turn loose not one but two of their favorite donors and allow you the buyer an opportunity to capitalize on their genetics the way that they have. Dominantly campaigned as a heifer herself by the Shipman family, LJR Ms Tiger Lilly 2041C ET, was a force to be reckoned with. Capturing champion banners at Fort Worth, Houston, and San Antonio. Culminating her show career as a big bred at the Houston Livestock Show and Rodeo where she was crowned Reserve Supreme Champion Continental Heifer. Her story doesn't stop there, transitioning into the donor pen she has generated success with both her purebred calves and on the club calf side of the operation. Most recently a daughter by Outsider was bannered at the Illinois State Fair this summer. Tie into an exceptional female and let her work for you. Selling this proven donor in her entirety.

Outsider daughter of Lot 4

Presented by: Jackson Cattle Co., Walnut Springs, Texas — Jeff Jackson 254-897-9116 or Jared Jackson 254-396-0567

Cody Cattle Company is proud to present the Choice of Flush in this elite donor lineup. Buyer will choose between these incredible donors who have raised sons such as CCC Gangsta 2004, the \$37,500 half interest high seller in the 2023 CCC Annual Bull Sale; CCC Ad Astra 1027 P, the high seller in 2022 for \$55,000; CCC Johnny Ringo 3056 P, 2024 high seller at \$41,000 for one half interest; and CCC Probity 9506 P, the veteran herd sire for Hebbert Charolais Ranch. CCC has been a perennial powerhouse when it comes to bull production and taking a look at the female battery they have assembled it's no secret why. Bid with confidence as each and every one of these elite females have earned their way into the donor pen and with the crash of the gavel you too can profit from their genetic influence in your herd. **Buyer will receive a minimum of six transferable embryos with a guarantee of two 60 day pregnancies if implanted by a certified technician within 1 calendar year of the flush date.**

## 6 Choice of Herd Flush

### RANCHO SAN JUAN PESQUERIA, NUEVO LEÓN, MEXICO

The Best of Two Countries. Starting in 1975, Rancho San Juan began adding Charolais genetics to their cow herd as a means of expanding and improving upon their genetics. The results of this process have been no less than an outstanding Charolais and Charbray herd that is positioned at the forefront of the Mexican Charolais world. Rancho San Juan has been committed to creating superior quality cattle by utilizing the best genetics from across North America. A glance through their pedigrees would highlight top-end AI sires from the US as well as leading Charbray sires of Mexico. They have channeled significant investments into facilities, genetics, technology and the guidance of experts in the field, thus underlining the genuine interest in providing you with the best Charolais cattle. The Rancho San Juan herd average currently ranks in the top 1% for Birth, 19% for Weaning, 17% for Yearling, but despite this focus on performance they have maintained a solid maternal grounding with a Total Maternal in the 28th percentile. This opportunity is truly unique and offers the buyer an opportunity at an IVF flush of the female of their choosing from any female in the herd. **Buyer will receive a minimum of six transferable embryos with a guarantee of two 60 day pregnancies if implanted by a certified technician within 1 calendar year of the flush date.**

Rarely do we find a female that can "do it all," pedigree, proven production, performance, EPDs, phenotype... the cattlemen's kind. But with GHC Elvira 8559 you have just that. Perhaps one of the most attractive Fargo daughters, she traces her lineage back on a single page to the epic Elvira 62D blending maternal power with tried and true performance genetics. Boasting an impressive set of numerical values, 8559 rings the bell for those wishing to harness genomic predictions and for those searching for that front pasture look she excels as well. This flush opportunity is no gamble, a proven producer that can elevate your operation to the next level. **Buyer will receive a minimum of six transferable embryos with a guarantee of two pregnancies if implanted by a certified technician within 1 calendar year of the flush date.**

CE	BW	WW	YW	MtI	TSI	MB
17.3	-3.0	70	136	64	300.02	0.29

Choosing your next herdsire can be one of the most stressful things that an operation can do... so let's take the guesswork out of your selection. By the numbers TCC Sherman Gold M18 is one of the most complete herdsire prospects to grace the ring at the Cowtown Sale. A Sherman Tank son out of an impressive Free Lunch daughter, he stacks the data in your favor with a top 5% TSI, 6% CE, 8% MARB, 9% YW, 15% MTL, 20% BW, 25% WW and 25% Milk. Numbers can only go so far though and then phenotype must take over. Long spined, powerfully built, but smooth in his pattern, he promises an eye-catching calf crop that can produce herd sires or females for the keeper pen. Calving ease, carcass quality, and performance... the total package.

M6 NEW STANDARD 842 P ET

x M6 COOL GERMAINE 1145 P ET

 **13A** Sired by WC Milestone 5223 P

 **13B** Sired by LT Countdown 9712 P

M6 Ms New Germaine 484 P is a household name that stirs images of proven production, maternal grace, power, and profitability. Commanding \$36,000 at the historic M6 Dispersal in 2017 she has continued generating revenue for breeders who have had the opportunity to capitalize on her genetic value. Just in the last few years she has added sons to the AI stud catalog including SVY Historic 241K, sired by LT Countdown and another CCR WIA Valhalla 3123, who sold for \$47,000 for 2/3 interest this past fall. A WC Milestone daughter at the same event stunned the crowd as the gavel fell at \$50,000 with her split off bull calf ringing the bell at \$15,000. Cannon Charolais is excited to offer you these same genetic opportunities with your choice of a confirmed heifer pregnancy mating of Germaine 484 to either WC Milestone 5221 P or LT Countdown 9712 Pld. Calves are due in September out of 4 to 6 yr old proven Angus recipient cows.
