Carnival Lights & Treat Street Delights

at the 2024 Nevada County Fair

Our entire team at the Nevada County Fairgrounds is anxiously awaiting August 7, 2024 – the opening day of the Nevada County Fair! This year our theme is “Carnival Lights and Treat Street Delights.” Knowing that we are one of the few Fairs that still feature so many nonprofit food booths, we are excited to bring focus to this tasty part of the Fair! The partnerships we have with our local nonprofits are invaluable and they greatly enhance our Fair in so many ways, not to mention, they also serve some amazing food!

When you walk through the Fair gates for the first time, you will see many of the same traditions that we’ve carried on for decades. You’ll also see dozens of new attractions, events, and competitions that we’re happy to add for 2024.

Whether it’s enjoying the high-energy “Drumheads” performance on one of our stages, watching the livestock costume contest, or attending the RaeLynn concert on Wednesday night in the arena, the options are endless.

As you continue looking through the competition handbook, I encourage you to find a new competition that sparks your interest. With hundreds of different choices ranging from hand-drawn art to chowchow pickles or quilts to your favorite keychain collection, there is something for everyone! Complete your entry form today and let us know what you plan to enter and showcase for the community to see.

See you at the Fair, August 7-11, 2024!

ENTERING YOUR EXHIBITS

Start the Fair season now by entering an exhibit in the Fair! If you can make it, bake it, grow it or show it, we have a category for you. Entering an exhibit is easy and most classes are free to enter. This book has all the information you will need to get started.

To enter an exhibit, you are encouraged to enter online at NevadaCountyFair.com. Printed entry forms can be mailed or dropped off at the Fairgrounds Administration office. Livestock entries may only be completed online.

Online entry forms are due online no later than midnight on Monday, July 15 at NevadaCountyFair.com. Paper entries are due no later than 4 pm on Monday, July 15 at the Fairgrounds Office on McCourtney Road. **For exhibit delivery times and locations please see pages 4 (adult) and 37 (youth)**. If you have any questions, please contact the Fairgrounds Office at Entries@NevadaCountyFair.com or (530) 273-6217.

HOW'S IT JUDGED?

Exhibits are judged by either the Danish or the American judging system.

In the Danish system, each exhibit is judged according to how well it meets a product standard rather than how it compares with other exhibits.

In the American judging system, each entry in a class is judged in comparison to other entries in the class. Awards are given according to relative merit with the potential for no more than one first, one second and one third place per class.

There will be a **Best of Division** award for every "still" division judged American. It will be chosen from entries that receive first place in their

classes. Every Best of Division winner will receive a rosette and/or a sponsored award.

There will be a **Proud Tradition** award for each department. It will be chosen from all the entries that receive Best of Division in the department. The winning exhibitor will receive a \$50 premium and a rosette.

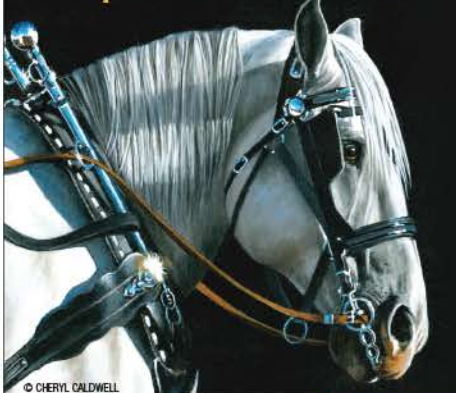

People's Choice award will be voted on by the public for entries in each building. The winning exhibitor will receive a \$50 premium and a rosette.

State rules for California Fairs apply to all competitive exhibits conducted by District and County Fairs in California (cdfa.ca.gov/fe).

LIVESTOCK DEPARTMENT

JUNIOR LIVESTOCK EXHIBITORS

Junior livestock exhibitors must attend the mandatory orientation meeting Tuesday, August 6 at 6:30 pm in the Whitney Pavilion.

JUNIOR LIVESTOCK AUCTION

SUNDAY, AUGUST 11 AT 9 AM
TERMS & CONDITIONS

The Junior Livestock Auction is sponsored and managed by the Nevada County Livestock Producers and the 17th District Agricultural Association.

All Fair rules, both state and local, shall apply to this sale. Exhibitors can show and sell only one market animal, with the exception of exhibitors participating in a small animal project (poultry or rabbit meat pens). These exhibitors may enter a small animal meat pen and one large animal market class. These exhibitors can only sell one project and must declare which animal they will be selling to the Livestock Office as soon as they finish showing their large animal. If the meat pen qualifies as Champion or Reserve Champion, they may not show their large animal in their market class. They will be allowed to show in the large animal showmanship class.

The Junior Livestock Auction is a terminal sale (including small animals). All animals sold at the Junior Livestock Auction, with the exception of small animals, will be sent to federally inspected meat processing plants under the direction of the Nevada County Fair Sale Committee. Small animals will be resale only. All Supreme Champions, Champions and Reserve Champions must sell. It is illegal to tamper with ear tags or sale identification.

Exhibitors of market animals are eligible to show and/or sell in only one county fair, during a calendar year, with the exception of the California State Fair. Exhibitor will be required to sign a certification that they have not sold a market animal at any other county fair (with the exception of the California State Fair) this year.

An exhibitor must be at least nine years of age by January 1st of the current year to sell an animal at the Junior Livestock Auction. For exhibitor age requirements, please refer to the state rules. The exhibitor and animal must be present at the auction and ready to sell when it is his or her turn. If an exhibitor is not present and ready when it is their turn, Fair management has the right to remove the animal from the JLA and, if removed, the animal must be sold resale at the published market price for that species to the harvesting facility designated by the Fairgrounds. Animals that are removed from the JLA for the above reason will not be permitted to leave the Fairgrounds except by the livestock transportation company contracted by the Fairgrounds. Fairgrounds management has the right to grant a variance for those animals that are determined to be unable to sell, due to injury or illness, by the official Fair veterinarian.

When the auctioneer says "SOLD" the animal is sold. However, the exhibitor is responsible for providing feed and water to the animal until it is loaded on the truck, as instructed by the Livestock Superintendent and/or Sale Committee.

Animals must meet weight requirements and be determined market ready by the judge in order to be eligible to sell. The Auctioneer has the final say on all bids. No private treaties are allowed.

A commission to be determined by the Nevada County Fair Board will be charged to promote and finance the sale.

All exhibitors selling in this JLA Auction MUST write thank-you letters to their respective buyers and any buyer who added a "bump" immediately after the Sale and prior to receipt of their check.

To view the State Rules for California Fairs, you may visit California Department of Food & Agriculture's website: cdfa.ca.gov/fe.

We would like to extend a huge thank you to ALL of our amazing buyers and supporters of Nevada County youth in 2023. We are looking forward to welcoming you back to our 2024 auction.

For information on how to become a buyer, please visit nevadacountyfair.com.

If the market and back-up animals are the same species, the exhibitor must declare which animal will be shown to the Livestock Superintendent within the published weigh-in period for that species. If the exhibitor has multiple market species entered, the exhibitor must declare which animal they will be showing following the conclusion of the weigh period for the last species weighed. The non-show animal(s) must be removed from the Fairgrounds by 8 pm on weigh in day.
36. **Reweigh Procedure:** Reweighing of market animals will only be allowed when the first weight recorded is below minimum or above maximum and results in the animal being sifted. The exhibitor must indicate to the Livestock Superintendent immediately after the initial weight that they request a reweigh. The animal must remain in the immediate scale area in view of the Livestock Superintendent. The scale will be zeroed and the animal weighed again. The second weight becomes the official weight. If the animal is removed from the immediate scale area and then returned to the scale for a reweigh, no reweigh will be allowed.

OFFICE OF THE GOVERNOR

2024 California Fair Season

Welcome to the 2024 California fair season!

California fairgrounds continue to play a vital role in our state. As we enter a new year, and prepare for the new fair season, there is so much to be excited about. As a California fair exhibitor, you have a key part to play in teaching the public about the history of agriculture and its importance for the Golden State. Whether you are a new or a seasoned exhibitor, this is a unique opportunity to engage with members of your community, form a connection with California's farmers and ranchers, and attract future generations of agricultural leaders.

Annual fairs in California provide an invaluable family experience and proudly display our state's vast diversity of cultures and traditions, all while operating as economic engines and creating jobs within their communities. When fairgrounds are not hosting their annual fairs and other events, they serve their communities as resilience centers. During various floods, storms, and wildfires last year, fairgrounds across the state were activated by their local Office of Emergency Services to serve as evacuation centers for people, pets, and livestock.

Time and time again, fairgrounds demonstrate their importance to our state, and so much of this would not be possible without the good work of our dedicated fair exhibitors. Thank you for your advocacy and commitment to our state and the agricultural community. We look forward to another successful year in 2024!

Sincerely,

Gavin Newsom
Governor of California

GOVERNOR GAVIN NEWSOM • SACRAMENTO, CA 95814 • (916) 445-2841

California's most beautiful fairground!

December 20, 2023

Thank you all for your efforts in showcasing California's bountiful agriculture!

California is very fortunate to have some of the richest agricultural resources in the world and your exhibits play a vital role in presenting this to your communities and the public. Each fair has a unique, local agriculture flavor that brings people together to celebrate the tradition and innovation of our farmers and ranchers.

In addition to helping promote California's agriculture, the annual fair events also educate the general public on new technology that improves agriculture's effect on the environment, stewardship of water and natural resources, and practices that help preserve farmland for future generations.

When fairgrounds are not hosting the county fair, they are also used for quinceaneras, weddings, funerals, and many other community events. In times of need, fairgrounds are amongst the first to open their doors and be used as resiliency centers to serve their communities as cooling centers, evacuation shelters, first responders, food hubs, and workforce development. Fairgrounds are equipped with kitchens, sanitation facilities, and provide a safe space for sheltering people, pets, and livestock.

Your support of California fairgrounds and the annual fair is extremely important to the success of current and future generations and I look forward to hearing about the great success of the 2024 season.

Yours truly,

Karen Ross
