The cow must place in the top 50% of her class or in top 5 placings in classes less than 10. The top producer will be based on 305 day or less ACTUAL production record of total pounds produced. Substitute entries are eligible. Records should be listed on the entry blank at time when entries are made. These records will appear in the catalog. Records will be accepted when the breed superintendent checks in the cattle. DHIA records must verify all records. Records will not be accepted day of show.
- 7. STATE HERD.** A State Herd shall consist of six animals from one state as follows: two females, two years old or over; two females, under two years of age; two other animals of any age. All animals from a herd or farm, regardless of ownership, shall be counted in the three head allowed one exhibitor. Any partnership or syndicate animals must be shown in the state in which they are usually housed. The agent of the state association concerned must make the entry of the State Herd by entry closing date. All the animals must be entered and shown in the open individual classes under their respective owner's name. Exhibitors in State Herds must follow all open class regulations.

DEFINITIONS OF OWNERSHIP

Exhibitor and breeder are defined as follows: "The exhibitor must be the owner or breeder. Where a herd is registered in the names of different members of a family residing on one farm and where the herd is one unit, all entries may be considered as single exhibitor for all group classes.

For an exhibitor to be eligible to show an animal, the title of ownership by the exhibitor shall show on the Certificate of Registry at the time of the exhibition.

As outlined in the PDCA Show Ring Code of Ethics, if a National Show judge should bring to the attention of the Brown Swiss Association staff possible unethical practices related to Brown Swiss cattle exhibited at a National Show, Brown Swiss Association staff will consult with Show Management as to the proper steps to be taken.

Any animal sold or exhibited as registered by the Brown Swiss Cattle Breeders Association can be genomic/DNA typed at the discretion of the Executive Secretary, all expenses to be paid by the Brown Swiss Cattle Breeders Association.

PREMIER AWARDS

Premier Breeder – An award to be made to the breeder of not more than six animals accumulating the most points in the open individual classes including animals bred by him but exhibited by others.

Premier Exhibitor – An award to the exhibitor accumulating the most points on not more than six animals owned and exhibited by him in the open individual classes.

There is no limit on the number exhibited, but the Premier Breeder and Premier Exhibitor Awards will be automatically figured on the top six animals accumulating the most points as outlined.

TOTAL PERFORMANCE WINNER

This class will recognize a cow on her TOTAL performance – milk production and show ring placing. Her total score will be determined by:

Placing in her respective class; and

Her highest, Energy Corrected Milk (ECM) record; and

The total pounds of ECM produced per day over 24 months of age up through July 1, 2024 (up-to-date production through July 1 as reported on the monthly DHI report should be supplied by exhibitor two weeks prior to show day.)

The requirements a cow must meet to qualify for the Total Performance class are as follows:

Born before September 1, 2019; and

Completed three lactations by July 1, 2024; and

Possess at least one official DHI record in 305 days, 2x of at least 20,000 lbs. milk, or 800 lbs. butterfat or 700 lbs protein; and,

Place in the top 50% of her respective class (top five if less than ten in class); and

Diagnosed pregnant if last calving or embryo collection is more than 12 months prior to show date.

Official lifetime production records on all qualifying cows must be sent to and received by the National Brown Swiss office at least two weeks prior to show day so that records can be verified and production scores calculated. Records received after that will be accepted only with a \$50 late fee. The DHI sheet showing credits up through July 1 will be accepted to update lifetime records. It is the owner's responsibility to supply these records, including the July test sheet.

The Total Performance Award is presented at each National Show to the exhibitor whose cow had the highest score based on the above criteria. The winner at each show receives a banner. The overall winner is named the National Total Performance Winner and receives a trophy at the following Brown Swiss Annual Meeting.

TYPE & PRODUCTION AWARD

Type and Production Award will be presented to the one cow in each breed with the greatest Energy Corrected Milk (EMC) in the milking classes. The winning cow must place fifth or above if 20 or fewer are shown, or in

the top 20% of the class if more than 20 cows are shown. Exhibitors are responsible for furnishing verification of records at time the entry is checked in by the Breed Superintendent.
