SPECIAL RULES

- 1. READ GENERAL RULES.** All entries and awards within this show will be subject to the General Rules and Regulations published in this Premium Book and the following Special Rules.
- 2. JUNIOR AND SENIOR BEST THREE FEMALES.** JUNIOR – Three females under two, not to have calved, where the exhibitor has bred all three and has ownership in at least one animal. Each exhibitor limited to one entry. SENIOR (must have calved once) – Three females that have calved once, and where the exhibitor has bred all three and has ownership in at least one animal. Each exhibitor limited to one entry.
- 3. STATE HERD.** Six animals entered by owners from one state, consisting of two females, 2 years old or older; two females under two years of age; two other females any age; owned by a minimum of three exhibitors, farming units or syndicates with a maximum of three animals from one exhibitor, farming unit or syndicate. This class will not be a lead out class; a designated representative from each state must bring entries they wish to have included in their state herd to the show desk as soon as the last individual class is completed. Massachusetts Jersey Assn. will receive the total payment for a Massachusetts state herd. All other payouts are to be determined at the exhibitor's meeting.
- 4. BEST FIVE HEAD.** This group, all owned by the exhibitor, consists of two milking females, two heifers and one any age.
- 5. PRODUCTION AWARDS.** Awarded to the animal with the highest actual protein production based on 305 day (or less) on the most recent completed record or current record in-progress. Substitute entries are eligible. Records should be listed on the entry blank at time when entries are made. These records will appear in the catalog. Records will be accepted when the breed superintendent checks in the cattle. DHI records must verify all

records and must be turned in prior to show day for verification.

6. TOTAL PERFORMANCE AWARD. This class will recognize a cow on her total performance: production, type and show ring placing. To be eligible animals must have completed one lactation and place in the top 50% of their respective age class. This is not a lead out class. However, the winning animal will be asked to enter the ring and award presentation will be made at that time.

Official lifetime production records on all qualifying cows must be presented at check-in to verify production. The DHI sheet showing credits through July 1 will be accepted to update lifetime records. It is the owner’s responsibility to supply these records, including the July test sheet if desired. Copies will be kept for the AJCA or Breed Representative to ensure correct calculations.

Production

Points will be calculated in the following manner and added together for total production points

- Completed Lactations: number x 10
- Lifetime Milk: (lbs) / 1,000
- Lifetime Components: 2 x (lbs fat + lbs protein) / 100

Type

Points will be calculated in the following manner and added together for total type points:

- Classification Score: score value

Placing: 1st=200, 2nd=180, 3rd=160, etc... ..top 50% after 10th=10

Total Points

Production and Type points will be added together to determine final points. If a tie exists the cow with the highest 305d ME for milk production in any of her lactations will be the winner.

7. PREMIER BREEDER/EXHIBITOR. Points for Dry Cows will be the same as junior females.

8. ENTRIES. Animals recorded at Generation Count 4 and higher are eligible for show.

JUNIOR SPECIAL RULES AND AWARDS

1. JUNIOR EXHIBITORS. Junior exhibitors must be recorded with the American Jersey Cattle Club by July 1 (owner) and MUST show their own animals if they are present. If two or more animals are entered, the Junior member must show one of them. If the Junior member cannot be present, another Junior member may show the animal(s). The exhibitor must be listed on the registration certificate, either as the sole owner or by his/her name in joint ownership. If the joint ownership includes more than one eligible exhibitor, one of them must be declared as the exhibitor during check-in.

2. BIRTH DATE. Over 9 and under 21 as of January 1, 2024.
