On behalf of the Kittitas County Fair Board, it is my pleasure to welcome you to the 2024 Kittitas County Fair. The Kittitas County Fair is an old-fashioned county fair, promoting our community's rich agriculture heritage and culture. The Kittitas County Fair has been a Labor Day Weekend destination for guests, community members, friends, and family since our humble beginning in 1885. Our barns and buildings are full of exhibits showcasing the time and talents of our hard-working youth, community pride, and the promotion of agriculture. Please take the time to visit these areas of the Fair over Labor Day Weekend.

Labor Day Weekend in Kittitas County is unlike any place you will experience. Our Fair celebrates everything great about our community; from our agriculture pride and heritage, to our close-knit communities stretching from the Cascades to the Columbia, while at the same time showcasing our youth and their achievements in their 4-H, FFA, and Grange Projects.

Friday will feature the long standing and successful Junior Livestock Sale. Please join us in supporting these hard working youth. Throughout the weekend take in all the sites, sounds, and experiences of the County Fair. Frontier Village will be open to fairgoers to enjoy an iced cold dill pickle, a saloon root beer, a penny candy, while experiencing the lifestyles of the old west. Our vendor row will be packed with numerous booths to shop at and many food vendors to curb your hunger pains. Our stage schedule features some of the best local, regional, and national talents, all included with your fair admission. Our carnival company, Paul Mauer Shows, will feature rides that will provide all the thrills and chills you require. The weekend will also include the world-famous Ellensburg Rodeo and on Saturday join us downtown for the annual Western Parade.

Our great team of directors, volunteers, superintendents, and office staff have worked year-round to welcome you through our gates and provide the best in family fun and entertainment. If you see a fair volunteer or staff worker, please thank them for their hard work in making our fair great.

From the exhibit halls, to the barns, to the many activities throughout the grounds, you will not want to miss this world class experience of our old fashioned county fair. We can't wait to celebrate "Stars, Stripes, and Summer Nights" with you all this Labor Day Weekend.

We can't wait to see you at the Fair and Rodeo!

Kittitas County Fair Board of Directors

FRONTIER VILLAGE

Tucked away in the southeast corner of the fairgrounds, Frontier Village gives everyone the opportunity to experience a sliver of life as the original settlers in the Kittitas Valley knew it.

Here you have a chance to watch a blacksmith at work, learn to operate a crosscut saw, buy a soda, or a pickle and some nickel candy. The area consists of historic buildings, many of which were donated by valley families. One example is the schoolhouse. The building was donated by Freta Olds and functioned as an operational school in Manastash Canyon during the early 1900's. The village was envisioned during the early 1980's by Fair Board members who wanted to create an authentic experience for fairgoers.

Don't forget to try your luck by panning for gold at the old mine shaft!

THE HIPOCRATS

The Hipocrats are your go-to Americana dreamers, seamlessly blending hair raising harmonies, spunky lyrical imagery, and melodies that just stick with you. Their music offers a refreshing twist on classic Americana, appealing to fans across various genres, making them a must-see. Sarah Brunner's voice soars like Brandi Carlile. Tyler McGinnis shines with the introspective emotional grit of Mary Gauthier. What makes The Hipocrats unique is the way they pass the baton between them in the intermingling of their harmonic energy. The masculine and feminine twine together, like a yin and yang of American folk

THE MAGIC BEAN

With a theme of “from the farm, to the kitchen” kids will learn things that never crossed their little minds. You’d be surprised when polling kids with the question “where does milk come from?” and some of the answers we get.

KIDS’ PEDAL TRACTOR PULL

This is without a doubt something you should have at your event year after year. A tradition that kids and families look forward to. There is nothing funnier than seeing a kid pulling with all their might to the roar of the crowd.
