Farm Products Rules:

1. Please read and abide by all The Erie County Fair and Ag-Grange Department rules and regulations.
2. **All entries must be registered by Tuesday, July 29, 2025.** Entries not registered will not be accepted. For more information see the Important Entry Information page at www.ecfair.org.
3. When and where possible the variety name should be included to help educate the consumer.
4. Upon arrival, **ANY** class changes to the entry tags need to be made at the front table by officials. Changes not officially recorded will result in a loss of placing and premium.
5. To minimize errors, exhibitors must affix the correct entry tag with the exact variety name written on the front, securely to every entry.
6. If an article is not brought in, the entry tag for that article must be returned to the Superintendent.
7. Upon arrival, **ANY** class changes to the entry tags need to be made by the superintendent at the table where it is received.
8. **All articles for exhibition must remain on the grounds according to the rules of each department or forfeit their premium unless excused by the Fair Manager of the Society**
9. Any item receiving a placing can pick up ribbons at the Main Office with their premium check beginning August 16, 2025.
10. **Honey and Maple products may be picked up on Monday, August 1, 2025 between 7:30 AM - 9:00 AM. All honey & maple products not picked up between those times will be available for pick up at the Competitive Exhibits Office Monday through Friday between the hours of 9:00 AM - 4:00 PM. All exhibits must be picked up by September 1, 2025.**
11. Exhibitors must own or be employed by the producing farm. **The farm name must be noted in the description.**

CLASSES

CORN SILAGE - 1

Two (2) Samples are needed to be displayed in a clear zip-lock bag. The first sample must be a good 3lbs. sample. The second sample should be in a quart-sized clear plastic bag. Samples will be from the previous year's harvest.

1. Corn Silage

HEMP/HOPS - 2

General Rules

1. Hemp displayed in sheaves, must be tied by 2 bands, and must measure at least 6 inches around and not more than 14 inches around at the bottom.
2. All hemp exhibits must have been grown by the exhibitor during the current season.
3. All hemp sheaves must be well-cured, not moist.
4. There must be no roots left on any entry in this section.
5. Do not strip leaves from stalks.
6. The exact variety name must be written on the front of the entry tag

1. Hemp, auto flower variety- must be a licensed grower, bring proof of license at drop off, and provide documentation of the product/variety.
2. Hemp, full season variety- must be a licensed grower, bring proof of license at drop off, and provide documentation of the product/variety.
3. Hops- cones displayed in quart basket

FIELD CROP SEEDS - 3

Any grains that have been treated with poisonous substances shall not be shown and, if offered in competition will be removed. All entries in this section must have been grown, harvested, selected, and prepared by the exhibitor during either the year exhibited or the preceding year. Exhibits known to be older will be disqualified. The variety and the year in which the exhibit was grown must be stated on the exhibitor's tag. The seed value of exhibits will be emphasized in the judging. In judging seed value, the following factors will be considered:

- A. Purity of the seed. Relative freedom from weed seeds, seeds of other crop plants, dirt, chaff, sprouted kernels and broken kernels.
- B. Relative freedom from obvious diseased seeds.
- C. Relative freedom from mixtures of other varieties.
- D. Probable viability of the seed, as indicated by its physical conditions.
- E. Uniformity of the seed as to shape, size and color.
- F. Trueness to type. All seed exhibits should be correctly named as to variety. Exhibits that are distinctly off-type or misnamed will be disqualified.
- G. Containers for displaying samples in this section will be supplied by the Fair.

1. 1-quart Winter Barley, name variety
2. 1-quart Beans, White Kidney, name variety
3. 1-quart Beans, Red Kidney, name variety
4. 1-quart Soybeans, name variety
5. 1-quart Buckwheat, name variety
6. 1-quart Shelled Yellow, Dent Corn, name variety
7. 1-quart Oats, name variety
8. 1-quart Rye, name variety
