A fairy garden is a miniature garden complete with structures and living plants. Fairy gardens are designed to give your green thumb a place to tend year-round and to lure fairies and with them, good luck, to your home. It's a tiny space created and tended with love; the design is limited only by your imagination.

1. Gardens should be no bigger than 2' x 2' x 2' and the container MUST be leak-free and pest-free, and must not weigh more than 30 pounds.
2. Garden must include fairies (fantasy figures, gnomes), structures, and 75% living plant matter. You may include artificial plants but no more than 25%.
3. Our knowledgeable staff will water and tend to your garden while on display.
4. Competition is open to all individuals and groups. Limited to one entry per individual/group.
5. BE CREATIVE AND HAVE FUN!
