SPECIAL RULES

1. Read General Rules. All entries and awards within this show will be subject to the General Rules and Regulations published in this Premium Book and the following Special Rules.

2. Eligibility. All goats participating in the Boer Goat Show must be registered purebred, fullblood or percentage in the herd book of the American Boer Goat Association before the opening date of the Fair. Original registration certificates are required to be presented at show check-in, except that a copy of a registration application, stamped with the date received by the association, can be accepted for kids less than three (3) months of age. Animals over the age of three (3) months must have the original registration certificate in hand at the time of show. Temporary registration certificates generated at the time of online registration with ABGA will be accepted in lieu of the original registration certificate until the expiration date indicated. Animals must be registered in the name of the exhibitor. Exhibitor is defined as the owner of the animal on its registry certificate. Exhibitors that are entering an animal in which the registration certificate names another family, farm or partnership

member please contact the Boer Goat Superintendent to obtain instructions on providing supporting documentation. All goats must be registered in the JABGA member's name only. No ranch or family name can be listed in the owner section of the certificate. Any goat that is transferred to a Junior exhibitors name for showing at a JABGA Sanction show cannot be transferred back to the seller and/ or seller's agent for a period of 1 year. Proof of birth date will be the date on the registration certificate. Please use the exact information from the registry certificate to complete your entry form.

3. TACK PENS. The number of tack pens assigned will be based on the number of animals brought to the Fair, not the number of animals entered. Two exhibitors may share a tack pen with permission from the Superintendent. Tack pen availability will be calculated on a family or farm basis, not per entry form submitted. Show management reserves the right to limit tack pens based on pen availability.

4. BEDDING AND FEED: Shavings are preferred to be used in pens. Carpeting nor rubber mats are not permitted. You may bring your own bedding or there will be bedding available for purchase on the Fairgrounds. Bring your own feed and water buckets.

5. SCRAPIE: All goats must be appropriately identified and comply with USDA Scrapie Eradication Program Guidelines. Call 1-888-USDA TAG (873-2824) or visit the following website for more information: http://www.aphis.usda.gov/animal_health/animal_diseases/scrapie/. Mass Department of Animal Health Rules and Regulations will be enforced.

6. TATTOOS: All goats must have legible tattoos consistent with the registration certificate and Certificate of Veterinary Inspection or the animal will be disqualified. If an animal is disqualified due to illegible or inconsistent tattoos, all lower placing animals will be moved up in placement. Point winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring that tattoos are read and properly recorded. The Superintendent will be responsible for recording the tattoos and informing the judge as to which point-eligible goats will need to be checked. The permanent identification must match the registration paper. No tattooing allowed after unloading. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.

7. ANIMAL CARE: Feed, bedding and care of the animals is the sole responsibility of the owner or exhibitor.

8. ENTRY FEE: $5 per animal, per show entered until 8/15.

9. BASE DATE: Birth dates, as listed on the registration certificate, will be used in determining class divisions. In order to calculate the class breaks, take the show date and count back to the birth date to determine the age and the class for the animal. For example, for a December 1 show, an animal with a January 1 birth date would be eleven (11) months old and would show in a kid class.

10. SUBSTITUTIONS: Substitutions allowed until 9am on Sunday, September 3, 2024. Substitution must have same ownership as the original entry.

11. STALLING: Only goats entered in the show or nursing offspring where the dam and/or offspring is entered in the show will be permitted on the grounds.

12. DIVISION ELIGIBILITY: Percentage doe classes are for goats 50% to 88%, Purebred/Fullblood classes are for does that are 93.75% and higher; 96.87% and higher for bucks. Bucks 96.86% and lower are not eligible to be shown. Progeny of fresh does will not be allowed in the ring with their dam. The Champion and the Reserve Champion classes will be chosen from the first and second place animals in that division. The Division Champions will be selected from the first place winners of the individual classes. The Reserve Division Champions will be

selected from the remaining first place class winners of the individual classes plus the second place winner of the class from which the Division Champion was chosen. The Grand Champion will be selected from the Division Champions. The Reserve Grand Champion will be selected from the remaining Division Champions plus the Reserve Division Champion from which the Grand Champion was chosen.

13. Showmanship: Showmanship entries will be divided into classes based on age as of January 1, 2024 and will be followed by JABGA guidelines. Exhibitors can sign up for these classes during check in.

14. Injection, drenching or application via any orifice (e.g. mouth, nose, anus/rectum) of any substance is prohibited. Further, the application of any substance to transform the true confirmation, configuration or natural color of the goat is prohibited. Animals showing signs of being unethically fitted will be disqualified and exhibitors may face further repercussion. Grooming products that are not restricted from use in Boer goats include: brushes, combs, clippers, hoof trimmers, shampoos, conditioners, oils, mousse, alcohol/liniment, sprays, powder, and artificial coloring that enhances the goat's natural color.

15. Show Limit: There is no limit on the number of animals an exhibitor may enter in each class. If entries must be limited based on pen availability, priority will be given to entries in the order they are received.

16. Animals will not be allowed to run free in the aisles.

17. Any goat showing any pronounced defect or abnormality, such as a weak constitution, unthrifty condition, overshot jaw or undershot jaw, abnormal abscesses, will be barred from showing in any of the classes. Illegible tattoos or tattoos inconsistent with registration will result in disqualification.

18. Any doe over 24 months of age that has not kidded and cannot prove a current pregnancy will not be allowed to show. All bucks must be kept as odor free as possible. If a buck is deemed to be an odor problem and/or hazard by the Superintendent, the buck must be removed from the Fairgrounds.

19. BRACING: Excessive animal bracing is not allowed. Front feet must remain on the arena floor during Judge's evaluation. Exhibitors may lift feet off the ground for a period not to exceed 10 seconds when posing the goat (per ABGA Rules). The Superintendent, judge or designated ring staff reserve the right to disqualify any exhibitor for bracing.

20. Muzzling of animals is prohibited.

21. NONCOMPLIANCE: Noncompliance to show rules will result in dismissal from the show

22. The use of any substance to enhance the performance or appearance of any goat is strictly prohibited. Any exhibitor determined to be using such substances will be banned from the show and will forfeit all awards.

23. Premier Breeder and Exhibitor Awards: Points will be based on the following scale:
ALL BREEDS:

PLACING:	1st	2nd	3rd	4th	5th
SENIOR DOES	12	10	8	6	4
JUNIOR DOES	5	4	3	2	1

1) PREMIER EXHIBITOR: A banner will be presented to the exhibitor of animals in the Percentage and Fullblood classes having won the most points in Open individual classes. The exhibitor credited the most points on animals including those in multiple ownership which they own and exhibit in the open individual class. If an exhibitor for Premier Exhibitor uses partnership for these animals, the animal must also be entered under the individual's name.

2) PREMIER BREEDER: Awarded to the breeder of animals credited with the most points, regardless of ownership.
