

GUESSING GAME CONTESTS

The Sioux Empire Fair Arts Center is hosting another round of guessing games this year thanks to our amazing local sponsors. Stop by the displays in the Arts Center between 8/3rd and 8/10th to give your best guess as to how many objects are used in each game. The fairgoer who guesses the closest in each game, without going over, will be the winner.

Winners will be notified by email & given 24 hours to respond. If we don't receive a response, the prize will be offered to the next closest guess.

Come check out the embroidered hat from Fonder Sewing Machine Co. and guess how many stitches were used in the design (without going over). The winner will receive that hat and a \$40 Gift Card to Fonder Sewing Machine Co.
