

Harold's Photo Center

Photography Presentation on Composition With Marty DeWitt

Sunday, August 4th, 2024 @ 2:30PM

It is **FREE**, and **ALL AGES** are welcome to attend the presentation, held in the air-conditioned Arts Center, located in the NW corner of the Expo's North Room.

Marty is a wonderfully entertaining guy with over 40 years of photography experience. His images have appeared in South Dakota "Conservation Digest" and other Game, Fish and Parks publications and websites. He has also had photos published by the Rails to Trails Conservancy, L.L. Bean, numerous calendars, local tourism guides, multi-media and theatrical productions, and newspapers. Not to mention he's a local legend and great friend of the Sioux Empire Fair.

We are excited and honored to have him back this year to share his vast knowledge with the fairgoers as he brings us a Presentation on Composition, which users of traditional cameras and camera phones alike can benefit from!

This is the perfect time to come learn tips and tricks about photography to help you capture the best photo for the Fun Fair Photo Contest, taking place during the fair. I'd take notes from Marty as there's an **\$850 prize package** awarded to the winner of that contest. Check out the Fun Fair Photo Contest for more details. (Kandi, can we put a link here to the contest?)
