The contract awarded pursuant to this IFB will also contain the Standard Contract Terms and Conditions and will be incorporated and made part of the contract. All terms and conditions are fixed and non-negotiable.

G. CONTRACT AWARD

The contract must be awarded to the lowest *responsive* bidder or all bids must be rejected. The 15th DAA reserves the right to accept any and all of the lowest bid per item requested unless the bidder stipulates that their response is an “all or nothing” offer. If the lowest responsive bidder does not have the necessary quantity, the DAA may also award up to their specified needs in accordance to low bid (if applicable).

Upon selection of a proposed bidder, a “Notice of Award” will be posted, in public view, for *five* (5) working days at the 15th DAA’s Administration Office. In addition, a copy of the “Notice of Award” will be emailed to each bidder.

H. BREAKING TIES

In the event that there is a tie, the tie will be broken by a toss of a coin by a DAA designee in the presence of authorized representatives of the tied bidders.

I. GROUNDS FOR REJECTION

1. A bid *shall* be rejected if
 - It is received at any time after the exact date and time set for the receipt of bids as stated in paragraph C.
 - It is not prepared in accordance with the required format or information is not submitted in the format required by this IFB.
 - The firm has submitted multiple bids in response to this IFB without formally withdrawing other bids.
2. A bid *may* be rejected if
 - It contains false or misleading statements for references which do not support an attribute or condition contended by the competitor. (The bid *shall* be rejected if, in the opinion of the 15th DAA, such information was intended to erroneously and fallaciously mislead the State in its evaluation of the bid and the attribute, condition or capability of requirement of this IFB.)
 - It is unsigned.
3. All bids *may* be rejected in any case where it is determined that
 - The bids are not really competitive
 - Where the cost is not reasonable, or
 - If it is deemed to be in the best interests of the State.
4. All bids *may* be rejected if the DAA determines, as its sole discretion, that any other reason exists to reject the bid.

J. RIGHT TO REJECT ANY OR ALL BIDS

It is the policy of the DAA not to solicit bids unless there is a bona fide intention to award a contract. In the rare case where solicitation is for informational and planning purposes is intended, the document will so indicate. However, without limitation by reason of the foregoing explanation, the DAA reserves the right to reject any or all bids or to cancel the IFB at any time during the process.

K. PROTESTS (State Administrative Manual, Section 1241 and Public Contract Code, Section 10343)

A bidder may file a protest against the awarding of the contract. The protest must be filed with the:

Department of General Services
Attn: Legal Office
707 Third Street, Suite 7-330-MS-102
Sacramento, CA 95605

and with the 15th DAA. The protest shall be filed prior to the expiration of five (5) working days from the notice of the proposed award being posted and, in no event, later than 5:00 pm on the fifth (5th) working day after notice for proposed award being posted in a public place at the 15th DAA's Administration Office.

IN ADDITION, within five (5) working days after filing the protest, the protesting bidder *shall* file with the 15th DAA and DGS Legal Office a fully detailed and complete written statement specifying the grounds for the protest.

PLEASE NOTE: *Failure to file (i) notice of the protest by the conclusion of the fifth (5th) working day after notice of intention to award a contract has been posted and (ii) a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest being deemed untimely and grounds for protest waived.*

L. SMALL BUSINESS PREFERENCE (SAM 1261)

State law allows certified small business (SB) and micro business (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive a 5% bidding preference on applicable state solicitations. The effect of the preference is to help SB's/MB's be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computational purposes to determine the winning bidder, not the actual bid amount.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with the Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB (s), refer to the information below for contact information:
