AUGUST 9-11, 2024

Welcome to the 2024 Irish Fair of Minnesota!

Here in the heart of St. Paul, Minnesota, we gather to fulfill our mission to celebrate and educate on Irish culture, creating a community of belonging for all to enjoy. For 44 years, the Irish Fair of Minnesota has kept a warm, peat-fire burning to honor the old and new traditions of music, dance, sports, food, drink and stories that connect Minnesota to Ireland. In a year when we've witnessed the ending of so many great outdoor festivals, we are proud to continue to offer this celebration to you.

This annual festival is a product of an enormous collective effort and community love. We owe its existence to many committed hearts and hands. With deep appreciation, we thank our board members, dedicated area managers, the countless volunteers, generous sponsors, grantors, cherished partners, the City of St Paul and the State of Minnesota. Your support is the foundation of this event. A heartfelt thanks to our exceptional event management team, Sarah Van Sickle and Adam Coolong, whose hard work and dedication all year round make this celebration possible.

We are proud to honor Norah Rendell as the recipient of the 2023 Curtin-Conway Award. Norah is the Executive Artistic Director at the Center for Irish Music in St. Paul. Her energy, hard work, and vision for handing down Irish music traditions has impacted thousands of people in Minnesota and across the world. The Curtin-Conway Award is presented annually to individuals who have made significant contributions to the promotion of Irish culture. We thank you, Norah, for your positive impact on our community.

The Irish Fair of Minnesota is a 501°3 non-profit cultural organization. If you like what you experience this weekend, we welcome you to be a part of it! New volunteers and donors always welcome. Enjoy the fair!

Sláinte!
