

# **Important Changes for 2025**

## **New Stall Information**

1. Pellet shavings are the only thing that are allowed on top of the pine shavings that are already supplied by the fair.
  - a. Cedar fiber shavings and turf are prohibited!
2. Stall signs can be no higher than 8' off the ground and no wider than 4'
3. The fair will provide you with a 11x17 laminated sign
  - a. This must be displayed on display/stall
4. Will be giving a buckle to the best kept and most decorative stall at the end of the fair
  - a. Top Herdsman

## **New Monthly Report Information**

1. Will be given your sponsors name, physical address, and email address this year unlike last year
2. You are required by the rules to send each monthly report to your sponsor via mail but this year there are two options to send it to them. Our sponsors are the reason we are here, so they deserve to be kept updated!!!
  - a. Either send them via email and cc the [livestock@fbcfa.org](mailto:livestock@fbcfa.org) email on them
  - b. Send them via mail but you need to take a picture of the envelope and send it to this email [livestock@fbcfa.org](mailto:livestock@fbcfa.org)
