Welcome to the 68th Lebanon Area Fair

Agriculture is the number one industry in Pennsylvania. We at the Lebanon Area Fair are doing our part in promoting and preserving our agricultural heritage as well as retaining the values of Lebanon County. The Fair is a time-honored tradition passed down through generations where family and friends come and renew old friendships and make new ones.

We hope you are able to join us and make the Lebanon Area Fair your summer family tradition. We are "Flourishing with Opportunity Rooted in Agriculture."

To All Our Volunteers, Exhibitors, and Sponsors

The Lebanon Area Fair Board would like to thank three very important groups that make the Fair a success - **our volunteers, exhibitors and our sponsors**. Every year community-minded citizens work alongside Fair board members to provide Lebanon County with a fair to be proud of. Please know your work and generosity does not go unnoticed or unappreciated.

The Fair would not be possible without exhibitors who bring out their best animals, products, and skills to showcase Lebanon County agriculture to our visitors. Nothing says fun like the good friendly competition among the many friends and neighbors of the Lebanon Area Fair.

Sponsorships from local businesses also contribute to a successful fair. The Lebanon Area Fair Board encourages all to remember the businesses, groups, and individuals who volunteer their time and resources and to support them in return throughout the year.

Entertainment, class, and special award sponsors are listed throughout this catalog and announced during Fair week. We encourage you to take notice of their support and patronize these various businesses and individuals who do so much to support 4-H, FFA and the Fair.

Madison Copenhaver

Madison Copenhaver is the 17-year-old daughter of Nevin and Beth Copenhaver of Lebanon, Pennsylvania. Agriculture has always been an important part of Madison's life, and being fair queen has given her many opportunities to promote both her fair and agriculture within our community. She was an active member of the Cedar Crest FFA, where she served

as Vice President. She is also the President of the 4-H Friends Club, for the past 2 years. Through 4-H & FFA she has competed in several Regional, State and National competitions. Madison plans to attend Harrisburg Area Community College to major in Business Management, and she plans to pursue a "Master Alteration Specialist Certification" through the Association of Sewing and Design Professionals. Madison enjoys being a part of the Lebanon Area Fair every year, whether it be showcasing her exhibits, volunteering in the food stands or BBQ dinners, and making memories with her friends and family. How to Become a Volunteer

Want to get involved? We are always seeking new volunteers to help us present a successful event.

Please contact the Fair Office at 717-273-3795 or info@lebanonareafair.com to sign up:

Kitchen – Taking orders, flipping burgers, and serving soup are just a few of the tasks performed by kitchen volunteers at the Eatery and Outside Eatery.

Trash – With thousands of visitors on the grounds each night, the garbage cans overflow quickly. Help to keep the fairgrounds clean by volunteering for trash patrol.

Fair Manager's Desk – Customer service headquarters during Fair week. Answer phones, oversee the scavenger hunt, provide directions and more as an experienced member of our Fair volunteer staff.

Gazebo Staff- Answer questions in the outdoor gazebo as an experienced member of our Fair volunteer staff.

Set up/Clean up – Continuously through the week, there are chairs and tables to place and remove, and lots of trash to be removed at the end of the week.

Specialty Days– Volunteers are needed to help run special activities for Kid's Day, Senior Citizen's Day, and Community Night.

Entry Check In – Hundreds of indoor exhibits are checked in during a very brief window of time on Friday evening and Saturday morning. We need help making sure that every exhibit gets to the right place prior to judging.

How to Become an Exhibitor

The Lebanon Area Fair has thousands of exhibits each year – and we hope you'll enter your own project this year! Classes range from livestock, dairy, horse, and small animal shows, to flowers, fruits, and vegetables. There are classes for every kind of craft – sewing, knitting, macrame, beading, painting, photography, woodworking, and more!

Important: 2024 Entry Deadline for online entries is Friday, July 5. Entries can be entered online at www.LebanonAreaFair.com. Paper entries must be returned to the Fair Office or postmarked by July 5 (to avoid late entry penalty fees.)

How to enter:

Read the catalog. Find a class(es) that interests you. Fill out a General Entry Form and return it to the Fair Office (either by mail, in person, or online at www.LebanonAreaFair.com) by the entry deadline. If you're entering an animal exhibit, you'll also need an animal entry form (separate forms exist for livestock, dairy, rabbit, and poultry entries; horse entries are coordinated through the Extension Office). Also, be sure to read and follow the health rules and regulations that apply to animal entries.

Indoor exhibits (non-animal) should be delivered in person to the fairgrounds (West Hall for most entries; flowers to Center Hall) on Friday, July 19 from 3-9 p.m. or Saturday, July 20 from 7-9 a.m. The quilt entries must be delivered Thursday, July 18 from 2:30-5:30 p.m. Please keep the claim tickets you receive at check in, you'll need them to pick up your projects at the end of the Fair. After delivering your exhibits, it's time to be patient while the judges sort through the many entries. West Hall reopens to the public on Saturday, July 20 at 4 p.m., where you can find out if your project won a blue ribbon, or even better, a Best of Show!

Animal exhibits arrive on the Fairgrounds at different times depending on the species and breed. Please see the catalog for more information.

Taking your exhibits home:

All indoor exhibits must be picked up Saturday, July 27 from 7:30-9:30 a.m. You must have your claim tickets to pick up your projects. Animal exhibits leave the Fairgrounds at different times depending on the species and breed. Please see the catalog (page 8) for more information.

Exhibitors of animals at the Lebanon Area Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes competition. This code applies to all livestock offered in the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct of questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the Lebanon Area Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of age or ownership of any fact relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal's health certificates from a licensed veterinarians upon request by show officials.
3. Junior exhibitors are expected to care for and groom their animals while at the shows. **All fitting of 4-H/FFA animals will be done by the exhibitor with the assistance of family or other Lebanon County 4-H members or leaders. No outside fitters will be allowed.**
4. NO paints or dyes. Any exhibitor found to be using coloring agents will forfeit any ribbons and premiums and will not be permitted to show at the Lebanon Area Fair for one year. **IMPORTANT:** If upon slaughter, treatment with drugs, biologics, or any chemical from fitting products is the cause of the condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor.
5. Fitting of animals shall be done by the exhibitor. If assistance is needed, then the exhibitor may be assisted only by family members, Lebanon County 4-H livestock and goat leaders, or another Lebanon Area Fair exhibitor that is carrying the same project.
6. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules affect the animal's performance of appearance in the event. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample or urine, saliva, blood, or other substance tested by the approval laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to provide otherwise at any hearing in regard to the matter conducted by the show. **At any time after an animal arrives on the Lebanon Area Fair premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.**
7. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
8. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
9. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

10. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics.

11. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

12. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the show against such individuals published in any publication of the International Association of Fairs and Expositions including Fair and Expositions and any special notices to members.

13. The act of entering an animal in the show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, and state statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

GUIDELINES FOR CARE OF ANIMALS

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the show.

a. Restraining Animals

- i. Animals should be tied or penned in a manner that will not hurt the animal or restrict his breathing in any way.
- ii. Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
- iii. Animals should be tied so that they are not able to injure animals tied near them.
- iv. Animals unaccustomed to each other should not be penned together.

b. Handling-Any type of rough handling which could harm the animal is prohibited. The use of whips, canes, and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.

c. Bedding-All animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.

The calves' dam must be from one of the 7 U.S. dairy breeds (Holstein, R&W Holstein, Brown Swiss, Milking Shorthorn, Jersey, Ayrshire, and Guernsey) or a cross of those dairy breeds and be sired by an Angus bull. Calves need to be black to comply with Certified Angus Standards.
5. All animals must be born and tagged with a Lebanon County Beef Club tag by the accepted dates. Two animals may be tagged, but only one may show. Any exhibitor found to be using fraudulent birth dates will forfeit any ribbons, premiums, and the animal will not be allowed to participate in the sale or packer bid. In addition, individuals will not be permitted to show at the Lebanon Area Fair for one year.
