

Little Britches

(Dairy, Beef, Sheep, Goats, Llamas)

Entry Form

Due: August 1st

We invite area youth, **4-9 years of age**, to participate in the Little Britches show. These young individuals are invited to show dairy/beef (**under 6 months of age**), sheep, goats, llamas. Animals may be brought to the Fairgrounds the morning of the Little Britches Show and will be released at the same time as the Open Class entries (Sunday afternoon).

Each child will be asked a couple of questions about their animal (names, age, species, breed, etc.) and they will then receive a goodie bag with lots of goodies that have been donated by local businesses! Make sure to use the ice cream coupon as that is only good during the fair.

* We encourage family and friends to bring their cameras! *
