Schedule Update

There have been two minor changes to the livestock schedule. The first to our pygmy goat show date and time and the second to our replacement heifer show date and time. Both changes come due to our judges' schedules, with us being on top of the California State Fair we have made both adjustments so we can keep our high quality judges we have hired and accommodate their schedules! The full updated schedule can be found in our exhibitor guidebook on the Santa Maria Fairpark website.

ADAMS CAMPING

Those who wish to camp at the Adam's Camping Lot will need to visit the camping tab on the website, camping reservations will close on May 31, 2024. Just a reminder this camping lot is only for exhibitors! Once your reservation is made the entries office will verify that the reservation belongs to a livestock exhibitor.
