

# MAP Goal/Cost Planning Form

Name of MAP Member: \_\_\_\_\_ Age: \_\_\_\_\_  
4-H Club/FFA Chapter: \_\_\_\_\_ Grade in School: \_\_\_\_\_

## Project Goals & Planning

Please list at least two (2) goals for your Meat Animal Project this year.

My goals for this year:	What I need to accomplish these goals:	Did I accomplish these goals? (Yes or No)

Where will you get your Meat Animal Project animal (bred & owned, bought from a breeder)? What factors will you consider when selecting your Meat Animal Project animal (breed, age, price, etc.)?

---

---

---

---

---

List a couple of potential buyers for the Meat Animal Auction at the Northern Wisconsin State Fair:

---

---

---

Describe how you plan to approach these potential buyers: \_\_\_\_\_

---

---

## Project Budgeting

Income:	
MAP Sale Animal Value	
Premiums/Awards	
Other	
Total Income	

Expenses:		
Purchase Price of MAP Animal		
Feed Costs	Grain	\$
	Hay	\$
	Supplements	\$
	Total Feed Cost:	\$
Health Care/Veterinary		
Equipment (feeders, gates, pens, etc.)		
Grooming Supplies (clippers, soap, brushes, etc.)		
Fairy Entry Fees		
Hauling/Transportation		
Advertising		
Total Expenses		

## MAP Sale Animal Results

Animal ID	Final Weight	Market Price	MAP Sale Price	Ending Market Value (A)	Ending Value from Sale (E)

Equations:

(A) Ending Market Value = Final Weight x Market Price

(E) Ending Value from Sale = Final Weight x MAP Sale Price

\*\*\* Market price per pound value can be obtained from MAP Leaders at the Fair \*\*\*
