**FEATHER** like all Greyhounds is a gentle giant. We all know Greyhounds love to run, but there is one thing they love even more, and that's laying on the couch! Feather has a tattoo in her ear, which means she was in a racing program. We are guessing she wasn't very fast because she ended up at the dog pound. Lucky for her, she was spotted and rescued by Star City Greyhound Rescue in Virginia. She may not be the fastest, but she holds the Guinness World Record for the highest jump by a dog.

## THE FOUR-LEGGED CAST MEMBERS

**PIXEL** a.k.a Wheelie is a pretty little Heinz 57 mix that was adopted from Eastern Herding Dog Rescue in Virginia. Her mother was a stray that gave birth to 7 puppies! Pixel's DNA test revealed she is a Cattle Dog, Aussie, Poodle, Shih Tzu, Chihuahua mix! Although she is only 14 pounds, Pixel is a little tornado when it comes to work and play. This little girl can out run and out maneuver all the other dogs in the show! 'Pix' has a gentle nature and adores children. She also has a big mouth so if you hear a dog yapping backstage, you can be sure it's our little blabbermouth, ready to start the show.

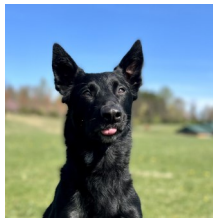

**ROCKY** is a very intelligent, extremely high drive, classic black and white Border Collie. Our veterinarian contacted us about getting him in to rescue because he was so busy that his family had to keep him in their garage! Rocky needed a job, because he was constantly getting into trouble. He was jumping up on the countertops, knocking over the children and digging holes all over the backyard. We agreed to foster Rocky and with lots of exercise and mental enrichment he has flourished. Rocky is big Border Collie weighing in at over 50 pounds. He is an old soul with a big heart.

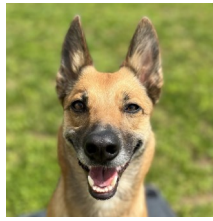

**SERI** is a beautiful Australian Shepherd. Many working dogs like Seri are given up each year because their families can't keep them busy enough, and bored working dogs can get destructive. Seri has never met a dog (or human) she didn't love. She tries to play with all of our dogs, even the ones that don't want to play. She will even lay down on the floor to play with our smaller dogs. She has a very sweet nature. She also loves chasing frisbees and would do it all day.

**FINN** a.k.a MR FINNY is a beautiful Border Collie. Finn is really sensitive and does not like loud noises. He is extremely smart and agile, and we are working on building his confidence. Border Collies were bred to work long hours and as the saying goes, "If they don't have a job, they will make a job!" Many Border Collies have to be given up because their families can't keep them busy enough and they get destructive.

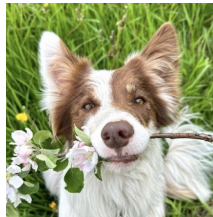

**MARS** is a six year old Cattle Dog mix who was adopted as a puppy from a shelter on Long Island. She's a versatile athlete who began to show her skills at a young age by leaping five feet in the air to smack the phones out of the hands of people who weren't paying enough attention to her. Her serious speed, intelligence and jumping ability have landed her countless awards in Agility, Dock Diving and Flying Disc. She was the winner of the 2020 PetSmart Invitational and was featured on ESPN2 during the inaugural AKC Disc Dog Challenge. Mars made her acting debut this year on an episode of American Horror Story—we think she got the role because of her gorgeous black coat and, of course, her bat ears!

**KIDDO** is a three year old Belgian Malinois (Mal-in-wa) mix from Texas, who started out as a shy little girl who almost didn't pass her puppy class! She grew into a dedicated, driven and joyful athlete, who now holds two World Championship titles in Freestyle Flying Disc. Her show-stopping disc work has been featured in the Purina Pro Plan Incredible Dog Challenge and National Dog Show. She loves toys of all kinds, but she loves her human mom, Bonnie more than ANYTHING. When she isn't competing, performing or otherwise taking care of her human, Kiddo is an accomplished actor and model who has been seen in many advertisements and commercials.

**OCEAN** is a two year old Pomeranian, Pit Bull, Husky mix who was found in an abandoned house in Houston, TX. She charmed her rescuers with her friendly, bouncy personality and SEVERE love of toys of all kinds. She is happiest when she has a stuffy, a chewie, a ball or ANY type of toy that she can carry around like a security blanket. We are using that toy drive to train her up in Freestyle Flying Disc, but don't let her goofy nature fool you, Ocean is also a serious acting dog who will begin shooting her first feature film in 2024.

**TESLA** is an electrifying border collie that belongs to Alexandra. She has a lot of energy and LOVES to play. She lives in Quebec, Canada. Tesla performs in many sports including frisbee and dance. She recently received "Most Entertaining Freestyle" award at the the USDDN World Disc Competition. You may have seen her on America's Got Talent (2021), where she wowed the judges and even got a kiss from the infamous Simon Cowell!

**LUMINA** aka LUMI, is a young Border Collie whose name means light. Alexandra named her that, because she illuminates the life of her whole family. When Lumi was younger, she was very distracted by everything around her. With a lot of love, time and fun, she became incredibly talented and focused. She is living proof that you should never give up!

**LOUKA** is a beautiful, active 8 year old Blue Merle Border Collie. What he loves above all is agility and dancing. Louka is often a very serious dog and has a very soulful sweetness. His speed will undoubtedly surprise you!

If you are thinking about getting a pet, please remember different breeds have different needs. Some require a tremendous amount of grooming, or exercise and enrichment, and some just love to sit on your lap. Do some research to ensure you find a good match for your family.

Millions of dogs & cats enter shelters each year (often through no fault of their own). Please consider adopting, not only will you get a new best friend, but you'll save a life too!

**Scott & Joan Houghton** have been performing together as a duo since 1984. They've played on variety stages throughout the US, Canada, Europe, Australia, New Zealand and Japan as *Jessie & James*, a comedy slack-wire and unicycling act. They spent three years as the featured comedy act with country music's Lee Greenwood both in Las Vegas and Tennessee, and seven years with Dolly Parton's Dixie Stampede. In 1996 the couple adopted their first dog from a shelter. Their second dog, Chico, made his stage debut in 2005. By 2007 they had hung up the unicycles and reinvented their act into *Mutts Gone Nuts!* The Houghton's live on a small farm just north of Baltimore along with two miniature horses and two Potbelly pigs. When the dogs aren't doing shows, they enjoy chasing squirrels and taking naps. Once a dog is no longer interested in performing, they get to retire with a full pension.

**Hilby**, the Skinny German Juggle Boy, opens the show with his infectious personality. A native of West Berlin, Hilby now resides in Ithaca, NY with his wife and family. He is one of the most sought after variety performers in the country, bringing his uniquely funny show to young and old alike. One cannot help but be charmed by his lovable personality, and impeccable comedic timing as he manipulates objects ranging from bowling balls to Chinese Yo Yos. The New York Times called him “Rivetingly Absurd;” Hilby is sure to win your heart.

**Bonnie Scott** is a two time World Champion in Freestyle Flying Disc and the 2nd Place Champion of the 2022 Purina Pro Plan Incredible Dog Challenge. She began as a trainer in 2017 with her very first dog Mars, finding enough success to commit to performance work full time in 2020. Mars, along with Bonnie’s other dogs Kiddo, Ocean and Kewpie, have won countless awards in Tricks, Extreme Distance and Freestyle Disc, Agility, Dock Diving and more while making appearances on ESPN2, NBC and Netflix. They travel all over the US and Canada to compete and perform.

**Alexandra Côté** is from a small town in Quebec, Canada. You may have seen her appearance on America’s Got Talent. She also made the semi-finals on Canada’s Got Talent. Alexandra got her first dog, Guizmo in 2011. He was a Border Collie and unfortunately had a lot of behavioral issues. Alexandra had to learn quickly how to train a reactive dog. She took classes and then a freestyle seminar and learned the foundations. She learned quickly and now teaches disc and dance seminars across North America.
