

## **SWEETWATER COUNTY FAIR GENERAL INFORMATION RULES AND REGULATIONS**

Every exhibitor, concessionaire, employee, or other person having business on the grounds must observe the rules and regulations formulated by the Fair Board or its authorized officials. The Fair Board reserves the right to determine rules and regulations and their interpretation and make the final decision as it relates to any and all conflicts as it relates to same.

### **Entry of Exhibits**

Competition is open to Sweetwater, Daggett, and Moffat Counties, unless otherwise stated. For the convenience of our exhibitors, on-line registration is available at [www.sweetwaterevents.com](http://www.sweetwaterevents.com). Participants can enter online or at a computer terminal located at Sweetwater Events Complex.

On-line registration on-site; however, if you have many exhibits, it is advisable to enter online prior to bringing your exhibits. Entry tags will be printed at the Sweetwater Events Complex.

Exhibits will be accepted in the main Exhibit Hall Saturday, July 27, from 1:00 p.m. to 5:00 p.m. and Sunday, July 28, from 9:00 a.m. to 7:00 p.m.

Judging takes place on Monday, July 29. Exhibitors can take their exhibits home from 9:00 a.m. to 2:00 p.m. Sunday, August 4. No exception! The Fair is unable to assume responsibility for left exhibits.

Exhibits must be made in the name of the bona fide owner at the time of entry; if articles which are the product of manual, mechanical or artistic skill may be entered by the maker, inventor, manufacturer, artist or dealer. An entry made otherwise for the purpose of perpetrating a fraud will be removed from competition. If exhibits are determined to be placed in the wrong department the exhibit may be transferred to the proper department at the discretion of the department Supervisor. Because of the large number of entries and the limited space available, the Supervisors of each department may select those works which will be displayed. The supervisor has discretion not to accept works which are in poor taste or objectionable to public viewing.

### **Exhibit Hall**

Open to the public, July 30 from 2 p.m. to 9 p.m., then from July 31-August 3 from 10:30 a.m. to 9 p.m.

### **Security**

Security service will be provided in the exhibit hall daily. Responsibility for loss, damage or injury to livestock or person or other property belonging to any individual while said property is being exhibited or used in connection with the Fair is the responsibility of the Exhibitor. Every precaution will be taken for the safety of all entries. The Fair shall not accept or be held responsible for the safe return of any exhibit to its owners, although due care and caution will be exercised to prevent all loss and damage. Exhibitors are encouraged to have insurance in place if needed.

### **Judging**

Exhibitors are not allowed in their departments during judging time. Standards for awarding prizes prevent judges from awarding prizes to exhibits that do not meet acceptable standards within the various categories to be judged. Absence of competition will not be accepted as justification for awarding prizes within any class. Interference with judging or the judging process by any exhibitor or agent of any exhibitor may result in the removal of the exhibitor's exhibits. Decisions of the Judges are final.

- Articles winning prizes at former County Fairs will not be entered in competition for premiums.
- Articles exhibited in this department must be the handiwork of the exhibitor and must have been made within one year.
- All articles competing for premiums must be completed; otherwise, they will not receive a premium.
- No premiums will be allowed for articles entered which were purchased, received as a gift, or borrowed.
- Where there is no competition, or article has been incorrectly entered, judges may award first, second or third premiums or no premiums, according to the merit of the exhibit.
- Judges must not award prizes to unworthy exhibits.
- All needlework will be judged with regard to beauty, degree of perfection, amount of work and suitability for the purpose for which it is intended.
- Excellence in sewing is determined in part by width and evenness in size of seams, hems, tucks, bands, and gathers. Stitches should be fastened, bastings removed, and everything neatly finished. In appearance, the work should be neat, pressed, and the material suitable for the garment in which it is used.
- If item is made with needle, enter in needlecraft. Must not be duplicated in another department.

### Score Card

Workmanship.....	40%
Suitability of article to purpose.....	20%
Beauty and originality of design.....	20%
Harmony of color and material.....	20%
Total.....	100%

From an educational standpoint the exact percentage allotted each item on the above on the scorecard is not vital but does call attention to the relative importance of the different points that should be considered in selecting or making a garment or piece of art needlework. It will be noted that while workmanship is considered important, there is no doubt that too much emphasis has been given to it in the past at the expense of other equally valuable considerations.
