DIVISION RULES

1. The rules of the North American Limousin Foundation (NALF) and Tulsa State Fair will govern this show.
2. Animals must be registered with the NALF. Embryo Transfer (ET) calves with pending registration must have parentage verification paperwork in the NALF system.
3. Animals must be purebred or percentage of 75% or higher Limousin (NALF percentage, not actual) with orange papers. All purple papered Lim-Flex are eligible to show.
4. Animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and must match the registration certificates. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not allowed to return with a new or corrected tattoo.
5. To maintain a high degree of confidence in Limousin shows, the NALF reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include the following:
 - a. Any use of paints, hair coloring conditioners, colored show foam, graphite, colored powders or any other substances; all animals subject to a white towel test;
 - b. The addition of any hair or hair like substances, including false tail heads and false polls (false tail switches are allowed).
 - c. The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the shape of the animal or the injection of any gas, solid or liquid under the hide to alter the normal conformation.
 - d. Any products, solutions or liquids administered internally or externally to alter the conformation of the animal is prohibited. This includes the use of steroids, growth stimulants and the act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method.
7. Bulls older than one (1) year must show with a nose-lead. The Limousin Show superintendent and the show management reserve the right to disqualify animals deemed unmanageable.
8. Protests against exhibitors, individual animals or fitting violations must be submitted in writing, signed by five (5) active members of the NALF and presented to the show superintendent within 12 hours after the completion of the show.
9. NALF reserves the right to mouth animals for dental development or collect hair samples from any animal.
10. Animals shown must be solid red or black above the flanks, excluding birth marks.
11. The following performance-data-submission requirements must be met by December 1 to receive Medal of Excellence points: Birth Weight; Weaning Weight; Yearling Weight (bulls & heifers); Yearling scrotal circumference; Pregnancy test (females older than 600 days old at season's end); Breeding Soundness Exam & Semen Test (all bulls over 400 days old)
NOTE: Failure to have performance data on file at NALF by the deadline will result in disqualification from the MOE program and no points will be awarded. It is the responsibility of the breeder/owner/exhibitor to submit that information without special requests from NALF. To maintain a high degree of integrity and credibility in all Limousin shows, all owners and exhibitors will be expected to adhere to all NALF rules and regulations regarding the exhibition of Limousin cattle and adhere to rules or regulations of particular shows, fairs, and exhibitions.
Medal of Excellence Point Distribution: The point distribution for Medal of Excellence shows will depend on the number of head exhibited at each MOE show other than the 4 national shows.
