

At Home Rodeo Olympics

We cannot be together at the Cow Palace this year, but we can still have some Rodeo fun! Try these fun farm themed activities and have your own Rodeo Olympics....YEEHAW!!

WATER BUCKET RELAY: You have to move water around the farm for your animals and other things. Take a 5 gallon bucket and punch holes in the bottom using a nail, a hammer, and adult supervision. Create a relay race! Each participant runs with a full bucket for a set length, keeping as much water in the bucket as possible. The one with the fullest bucket wins!

HOBBY HORSE RACE: Little cowboys can race against each other on “horses” they make from pool noodles. Curve over the pool noodle and secure with string. Glue on eyes, felt ears and manes for added decoration (*we’re not horsing around*).

BEANBAG BOOT TOSS: This is a great family activity. Set up cowboy/ cowgirl boots on a table. Draw a line a few feet away from the table. Have players stand behind the line and toss beanbags at the boots. Award prizes to players who can knock over a boot.

PIGGY ROUND UP: Blow up several pink balloons and place them on a grassy area. These are the pigs. Set a time for 2 minutes. Participants use a small broom or toy rake to guide the pigs into their “pens” which can be an area marked with rope or a hula hoop. Give each participant their own “pen” and whoever get he most “pigs in their pens” within the 2 minutes wins!
