Utility Service Order Terms & Conditions

- 1) PREPAID ORDERS: To receive prepaid rate, orders must be received a minimum of 5 business days prior to first scheduled Move-In day.
- 2) CONDITIONS FOR PROCESSING SERVICE ORDER FORMS:
 - a) Payment, in full, in U.S. funds must accompany service order form.
 - b) Payment may be made by credit card or check in advance.
 - c) Date payment is received by Prime Osborn Convention Center will determine applicable rate.
 - d) All order form information must be completed in full in order to be processed. Incomplete order forms could results processing delay resulting in slow service installation.
 - e) No service will be installed until full payment is received. Receipts are available for pre-ordered connections at the Service Desk during Move-In.
 - f) Cancellations:

Refunds will be computed as follows:

- (1) After installation NO REFUND.
- (2) Before installation, but 6 business days or less prior to first scheduled Move-In day 85% REFUND.
- (3) Before installation and more than 6 business days prior to first scheduled Move-In day FULL REFUND.
- 3) Prices are based upon current rates and subject to change without notice.
- 4) All orders placed or paid for at Move-In will be charged at Floor Order Rates. NO EXCEPTIONS.
- 5) Applicable refunds will be processed approximately two weeks after show close.
- 6) All connections provided are subject to verification by Prime Osborn Convention Center technicians. Exhibitors utilizing service greater than connections paid for will be subject to charge. All such charges are due prior to close of show.
- 7) All payments must be complete prior to close of first day of show. Any exhibitor not paid is subject to termination of utility connections.
- 8) Credit will not be given for service installed and not used.
- 9) Obstructions blocking utility floor boxes are subject to relocation as necessary.
- 10) Prepaid orders will receive priority service.
- 11) Prime Osborn Convention Center technicians are authorized to cut floor coverings to permit installation of service unless otherwise directed.
- 12) Electrical labor must be ordered in advance in order to have technicians available when needed (2-hour minimum charge is required).
- 13) All equipment, regardless of power source, must comply with all Federal, State, and Local Safety Codes.
- 14) Standard wall, column and permanent building electrical outlets are not a part of booth space and are not to be used by exhibitors unless specified otherwise.
- 15) All equipment must be properly tagged or marked with complete information as to type and/or amount of current, voltage, phase, frequency, horsepower, etc. required.
- 16) All materials and equipment furnished by the Prime Osborn Convention Center for this service order shall remain the property of the Prime Osborn Convention Center and shall be removed only by the Prime Osborn Convention Center at the close of the show. Exhibitors removing such equipment will be charged at prevailing replacement rates.
- 17) All exhibitor 120-volt cords must be of the 3-wire grounded type. All exposed non-current carrying metal parts of fixed equipment which are liable to be energized must be grounded.
- 18) The Prime Osborn Convention Center reserves the right to refuse connection to any exhibitor whose equipment is deemed unsafe by Prime Osborn Convention Center's Technical Supervisors.
- 19) Exhibitors are not permitted to share electrical connections. All orders must be placed separately.
- 20) Prices for utilities are inclusive of all applicable taxes.
