The Cass County Fair is seeking organizations that are interested in volunteering during the 30th Anniversary of the Cass County Fair, assisting with parking. Each organization would need to provide a minimum of fifteen (15) volunteers that are high school age or older. The sponsor/contact person will receive training information ahead of the fair to ensure the safety of the volunteers and our patrons attending the fair. Groups will be provided safety vests, 2-way radios, and water. Each volunteer will also receive a FREE event pass for one Cass County Fair event of their choice. In an effort to show our appreciation for those that help to make the Cass County Fair successful compensation to the group is being offered. These spots are being offered on a first come first serve basis. Please reach out with questions or to volunteer.
