

HEART O' TEXAS

FAIR & RODEO

presented by 

# SCHOOL TOURS

The Heart O' Texas Fair & Rodeo invites **all Pre-K through 4th Grade students** to come experience our fair on a more personal level. This unique experience offers the students a fun way to learn all the ways the agricultural industry touches their lives. With **up close and personal interactions** with animals, rodeo contestants, and hands-on learning the students will leave with a whole new appreciation for the world around them.

## EXPERIENCES:

- Ag-Zoo-Cation
  - This sing-and-dance-along session will educate the students on some of our more exotic animals on the fairgrounds.
- Doorways to Agriculture, presented by Texas Farm Bureau
  - Through these "Doorways" students are provided with opportunities to learn about agriculture commodities grown in Texas through interactive exhibits and games.
- Dairy Discovery Zone, presented by Dairy MAX
  - At the Dairy Discovery Zone, families can enjoy learning how your favorite dairy foods go from the farm to your table. Come play interactive (and educational) games!
- H-E-Buddy Barnyard and Petting Zoo
  - The H-E-Buddy Barnyard is a chance for the students to interact with actual livestock one-on-one.
- Rodeo 101
  - This new program will teach the kids about some fan-favorite rodeo events with special guests appearances.
