Your friendship Makes it Possible

Friday, September 15, the TPAC Board of Trustees would like you to join us for a special celebration in your honor, our friends of the Topeka Performing Arts Center.

Starting at 6PM we will hold a reception with hors d'oeuvres and a hosted bar followed by an amazing night of music featuring regional Americana Band, True North.

Current Friends of TPAC receive two tickets to see the show complimentary, following the reception. If you are not currently a Friends of TPAC donor and would like join or you need to re-new your membership you are welcome to come early and we will be happy to get you signed up. Or, you can join online by visiting the TPAC website, simply scan the code here →

True North has been recording & performing together since 2002, with concert appearances throughout middle America.

Their style of Americana music is inspired by icons such as Guy Clark, Lyle Lovett and Jason Isbell. The band has opened for a multitude of national artists such as Cross Canadian Ragweed and Jason Boland.

They recently released their sixth album, "Songs From the Attic" on vinyl, CD and streaming formats. The album was mixed by Grammy-nominated engineer Jason Richmond (Avett Brothers, Steep Canyon Rangers).
