A Step-by-Step Guide to Get Ahead & Learn

Step 1:

Open an internet browser and go to the Florida State Fair website. The link is: https://floridastatefair.com/

Step 2:

Scroll down to where it says Agriculture. Click on it.

Step 3:

Scroll down to where it says Champion of Champions. Click on it.

Step 4:

Scroll down to where it says Skillathon Manuals. It will open the drop-down menu where you will find every animal skillathon manual.

Step 5:

Select the Skillathon Manual that you need for your project. (Example: Rabbit for rabbits and Poultry for chickens)

Step 6:

In the top right corner of the skillathon manuals, it will have what information your exhibitor will need to know based on their age division. (To Clarify: Seniors will need to know everything in the manual that has Sr. while PeeWee/Juniors will only need to know the first few pages that have the Jr. in the box.)
