GENERAL RULES

Statement of Liability

Your entry and participation in the TSF is conditioned on your understanding and agreement that none of the Amarillo Tri-State Fair & Exposition Management, Directors, Officers, Volunteers, Partners (General and Limited), or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals before, during or after such an event. Specifically, the Amarillo Tri-State Exposition shall not be responsible or liable for any loss, injury or property damage which may occur to any exhibitor, owner, or attendee even if such incident is caused by, or alleged to have been caused by, in whole or in part, the negligence or gross negligence of the Amarillo Tri-State Exposition. Each exhibitor and/or owner will be solely responsible for any consequential or other loss, injury, or damage to, or occasioned by, or arising from, any animal or article exhibited by the owner or exhibitor. **THE EXHIBITOR AND/OR OWNER INDEMNIFY THE AMARILLO TRI-STATE EXPOSITION AGAINST ALL LEGAL OR OTHER PROCEEDINGS IN REGARD THERETO, AS WELL AS DAMAGE OR INJURY TO ANY PERSON OR PROPERTY, CAUSED BY THE ANIMAL OR ARTICLE EXHIBITED EVEN IF THE INCIDENT IS CAUSED BY, OR ALLEGED TO HAVE BEEN CAUSED BY, IN WHOLE OR IN PART THE NEGLIGENCE OR GROSS NEGLIGENCE OF AMARILLO TRI-STATE EXPOSITION.** The Amarillo Tri-State Exposition will not be responsible for any loss or damage resulting from or caused by strikes, riots, pandemics, lockouts or acts of God.

Civil Authority Evacuation

The TSF, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the TSF, or classified by the law enforcement authorities, and therefore the TSF could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our event.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. Local law enforcement officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers, or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately. In the unfortunate event that an evacuation must occur, the TSF will do everything possible to care for personal property, animals, commercial exhibitors' merchandise, etc. until the authorities remove the evacuation order, and you are allowed back onto the fairgrounds. No one will be allowed back on to the fairgrounds until the authorities issue that order. Local law enforcement will enforce the order strictly and in accordance with instructions from the authorities.

WARNING UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF LIVESTOCK SHOW ACTIVITIES.

1. Administration of Rules and Rule Violations: The Amarillo Tri-State Fair & Exposition reserves to its Officer Committee the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incidental to the Fair, and the right to amend or add to these rules as its judgment may determine. An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalties as the Officer Committee may order.

However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). All exhibitors are responsible for the security of their own animal/project(s) for the entire duration they are on the grounds. The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The TSF is not responsible for the acts of a third party.

5. Exhibitor/Contestant Behavior: The TSF does not condone and will not permit aggressive behavior towards animals or any other persons including Show Management. Any exhibitor or anyone assisting an exhibitor (parent/AST/CEA/fitter/family member, etc.) is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or at any place on the grounds. Any aggressive or unwarranted behavior by an exhibitor or anyone assisting an exhibitor towards another individual will not be tolerated. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be banned from the grounds and/or any future competition. Protests are not permitted.

h. Squadding: Squadding positions will be assigned on a random basis. No special request accommodations will be made. Squadding positions will be posted inside Bill Cody Arena as a visual notice for observers.

8. Range control

Control over the range will be through verbal, whistle or light commands or a combination of those command types. Whistle or light commands are preferred for larger groups, while verbal commands are acceptable for small groups of shooters.

a. Cease fire - Multiple whistle blasts (4 or more, generally almost trilled), the verbal command to cease fire, or a red light requires all shooters to stop immediately and remove any arrow from the string. The command indicates the presence of an unsafe condition downrange or the end of the time period for that end. Any arrow shot after the cease fire command at the end of a firing period will result in the loss of the highest scoring arrow for that end by the shooter.

b. Shooters to the line - Two whistle blasts or a verbal command calls shooters to the firing line.

c. Commence firing - A single whistle blast a green light or a verbal command indicates the beginning of the shooting time period for each flight or relay.

d. Flight completed - Three whistle blasts, a red light or a verbal command indicate the completion of a flight. All archers should make their bows safe and ground them in preparation to score targets and retrieve their arrows.

e. Score your targets and retrieve your arrows - If the whistle or light commands are not used, a clear verbal command may be used to indicate that the range is clear and the flight may score and retrieve their arrows.

f. Resume firing - One whistle blast, a green light or a verbal signals the resumption of firing after any interruption.

9. Safety Requirements:

a. Range Safety: The safety of all involved is of paramount importance. All range safety rules will be strictly enforced. Any contestant failing to conform to safety standards will be warned or disqualified from the event. Minor infractions will be noted and marked on the contestant's scorecard. Repeated infractions or major safety violations will result in disqualification from the event. ***ARCHERS MUST FOLLOW PROPER LINE ETIQUETTE AT ALL TIMES***

b. Range Boundaries: For multiple reasons, control of traffic on and around the range is essential. Please respect these boundaries and the directions of the officials.

c. Disruption: Parents, coaches, and other individuals should remain positive and supportive, being careful not to disrupt or exhibit behaviors deemed detrimental to contestants or the operation of the match. Sanctions ranging from warning to ejection from the grounds or disqualification of contestants may be imposed for interference with the operation of the match or disruption of the events on a firing line or range.

Smoking use and possession of tobacco products (including smokeless) by minors is prohibited by law and is not permitted anywhere on the grounds at any time.

10. Archery Interference: If any contestant in any way, whether in person, or by agent, or servant, interferes with range officials during their adjudication or shows disrespect to them, to the show or competition, they are subject to be penalized. Management may demand a proper apology from the contestant, may exclude him/her from competition, bar him/her from the grounds and may also withhold any prizes that may have been awarded.

11. Official Scores: A minimum of 3 archers on a bale. The official score is the record kept by each squad archers will keep an official and unofficial score card. Archers may seek assistance of a line judge to make a final call if necessary. At the completion of End 20, archers will sign and turn in their official scorecard. All reported scores will be checked for accuracy and corrections will be made when required in a secluded room by a minimum of 2 match officials.

Shoot officials maintain the objective of producing timely, accurate and complete scoring records for each event. They do not represent any club, county, team, or individual. The superintendent will be responsible for conducting any and all aspects of the event pertaining to “shooting”. Including, but not limited to: squadding, scoring, posting of scores, determination of winners, and rule interpretation.

Parents and or coaches may not score their youth and should never have possession of scorecards.

12. Appeals: Only a contestant may appeal a ruling on the range immediately. The scorer may poll the squad at his or her discretion. The decision of the line judge on the range is final and not subject to further appeal. Parent/coach scoring is not official scoring and will not be consulted.

13. Accommodations: Lodging is the responsibility of the contestant’s party and will not be arranged by the Tri-State Fair & Rodeo.

14. Coaching: **A participant may not be coached while on the shooting line.** Coaching includes any communication between the coach, parent or other spectator and the contestant; verbal or non-verbal.
