

Tractor, Pickup & Semi Pull Rules

All Weight Classes & Rules can be found on the Wright County Fair Website:

<https://www.wrightcountyfair.org/p/events/tractor--truck-pull-rules>

Tractor & Pickup General Rules:

- All tractors and trucks are subject to inspection. Judges' decisions are final. Failure to obey track officials will result in disqualification.
- All drivers & pit-crew must sign Liability Waiver at Check-in Booth.
- All Drivers will pull at their own risk. We are NOT responsible for any damage of equipment or accidents/injuries.
- Must have a license to drive or must have written consent from parents or guardian & MUST sign Liability Waiver. Track official has final say.
- Loss of any weights and/or parts under the green flag during pull will result in disqualification.
- 200 pound grace over or under weight.
- All pullers must cross the scale before hooking to the sled. Pullers may weight check before but will be REQUIRED to do so again upon lining up.
- Tractor or truck must stay within the boundaries of the track. Failure to do so will be disqualified.
- All pullers may have a second attempt provided they attempt to stop before the 75-foot mark.
- Tractors or pickups must be operated in a safe manner at all times. NO chain jerking or hot rodding allowed.
- All Tractors and pickups must be in neutral or park when being hooked or unhooked.
- All pullers must furnish their own hitch, with hitch opening 3" wide by 3.75" long & will be subject to inspection.
- Operator will obey flagman at all times.
- Floating Finish unless specified in individual rules.
- **NO alcohol in the pits and NO consumption of alcohol by drivers/pit-crew will be allowed before & during the pull. Anyone caught will be disqualified.**
- **NO PASSENGERS** whatsoever in ANY class or event – Automatic Disqualification if found to have a passenger.

Tractor General Rules:

- Hitch height maximum of 20" inches. Hitch length not less than 18" inches from center of rear axle. Hitch must be solid in all directions. NO pulling off 2 or 3 points.
- Duals are allowed in any class as long as weight can be made.
- 1 hook/pull per tractor (excluding sled adjustments & attempting to stop before 75' feet). Do your best.
- NO 1st Pull re-pull option (excluding sled adjustments & attempting to stop before 75' feet). Do your best.
- Drawbar must be easily accessible for track official to hook – No weights blocking.
- Floating Finish.
