## About the Tanana Valley State Fair

The Tanana Valley State Fair Association (TVSFA) is a nonprofit membership organization dedicated to hosting an annual fair that serves as a community gathering point featuring family fun for all. Our core values are family, community, diversity, engagement, partnership, and fun.

Founded in 1924, the Tanana Valley State Fair is the oldest fair in the state, operating on over 100 acres in the heart of Interior Alaska. Our signature event is a 10-day fair held during the last week of July through the first week of August that features livestock, arts and crafts, competitive exhibits, games, rides, contests, entertainment, vendor and information booths. Local organizations, businesses, and +1,000 volunteers come together to make this annual summer event an incredible community experience. Through the support of partnerships and sponsorships, the fair offers daily themes.

While the fair is the organization's signature event, the fairgrounds are increasingly becoming a year-round community gathering space. Concerts and other special events, including the World Ice Art Championships (hosted by Ice Alaska), also use the fairgrounds throughout the year. TVSFA also owns a campground that is regularly used throughout the summer and critical to the organization's financial success.

## **The Opportunity**

The Executive Director will step into a role leading an organization that strives to honor its past while forging a path to the future. TVSFA has a staff, most of which are part-time, 9-member board of directors, and +1,000 volunteers.

We are seeking a leader who can guide us through organizational change as our focus is broadening from one annual event to serving as a broader community gathering space. The board is developing a capital projects plan to help with upgrading or replacing aging infrastructure and facilities. Staff, with board support, have been working to modernize the fair's tools, such as a digital ticketing system and upgrading computer systems. As a membership organization, a change of this nature requires that the Executive Director inspire a shared vision for the organization that can be embraced at all levels. Leading a robust planning process for the long-term future of TVSFA will be a critical role for the Executive Director. TVSFA is also focused on living its commitment to family, community, diversity, engagement, partnership, and fun.
