WELCOME

Welcome to the inaugural Texas Fine Craft Show produced by The Woodlands Arts Council. We are delighted to welcome you and the fine craft artists from around the nation to the stunning Westin at The Woodlands.

Combining functionality with beauty, we end up with fine craft. It resonates with our core and brings us comfort – and sometimes reflection. Our lives are significantly enriched when we embrace fine craft daily.

Hosting the Texas Fine Craft Show in The Woodlands provides an opportunity for everyone to be introduced to the fundamental roots of fine craft and see how they remain part of us going forward to future generations.

Thank you for helping us make ART matter year-round in The Woodlands and Montgomery County. I hope you enjoy the show!

Yours in Art,

Glen Rector
2023-2025 TWAC Board President

TEXAS FINE CRAFT SHOW HOURS

Friday, November 1	5pm - 9pm
Saturday, November 2	10am - 5pm
Sunday, November 3	12pm - 5pm

ABOUT US

The Woodlands Arts Council, a 501(c)3 non-profit, is proud to celebrate 20 years of making art matter in Montgomery County, Texas. We were established "Because Art Matters" and The Woodlands Arts Council makes art matter with over \$1.5 million in charitable giving since our founding. This impact is only possible with the incredibly generous support of our community, volunteers, donors, and sponsors.

TWAC PROGRAMS

Student Art Scholarships have a long history at The Woodlands Arts Council. We are excited to celebrate our 20th year with a \$20,000 scholarship to be awarded to one exceptional graduating high school senior in 2025. Portfolio submissions open on November 5, 2024.

Artist Microgrant Individuals or groups may apply for the funding of specific projects or supplies which enable future growth or education in the visual or performing arts. Grants range in size from \$250 to \$5,000 per project. The 2025-2026 application will open in September 2025.

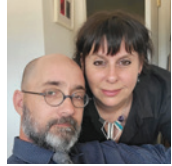

The Dr. David Gottlieb Education Microgrant Public and private school teachers and arts-related non-profit organizations in Montgomery County can apply for visual and performing arts grants. Grants range in size from \$250-\$5,000 per project. The 2025-2026 application will open in September 2025.

Public Art Supporting the vision of George Mitchell, the founder of The Woodlands, and the mission of The Woodlands Arts Council to promote public art and the creative economy, over 30 Art Benches and 6 Art Bike Racks have been commissioned and installed in The Woodlands in partnership with The Woodlands Township. Walk from The Woodlands Mall to Town Green Park and visit Hughes Landing to enjoy the beauty and practicality of these one-of-a-kind Art Benches designed by local, national, and international artists.

Young Makers Market is a one-of-a-kind opportunity for students aged 9-18 to sell their unique artistic creations in a one-day mini-arts festival in Market Street The Woodlands. Young artists participate in workshops to prepare for the market. Application opens in March 2025.

"Collecting craft can be a force for change, a bold personal statement, and a humble act of service. A craft purchase can encourage an emerging artist to continue with their practice or can change the conversations of craft history. For those who have made a commitment to collecting over multiple decades and have honed the skill of acquiring high-quality works, it becomes a way of life, a source of identity, and a contribution to American craft history. Treasured works move from private collections to public museums, reflecting the trends of the craft field and the interests of those who care for them."
