9. Any carving the committee decides as inappropriate will be removed from the exhibit.
10. Power tool carving is allowed.
11. If a piece is wood-burned and clear coated, it is considered natural. If there is any visible evidence of coloring no matter how small, it is considered painted.
12. The term "carving" is a general heading and embraces sculpture and whittling unless otherwise stated and vice versa. The term "relief" means drawing and molding with gouge, knife, or chisel in order to decorate a generally flat surface to give the illusion of depth. The term "in the round" means shaping a free standing, three-dimensional form or forms.
13. Materials other than wood may be included in the general presentation of a carving, provided such materials are necessary and in a subsidiary manner. Commercial models/kits are not permitted.

Erie County Fair Dates: August 6 - 17, 2025

16. The Southtowns Woodcarvers Club or the Erie County Agricultural Society cannot be held responsible for any loss or damage due to conditions beyond their control. The carvings will be handled numerous times during the judging and building setup. They must be strong enough to withstand this handling. All pieces should be securely attached to the carving and the base.
17. A blue ribbon won in open section &/or woodburning will automatically eliminate that piece from competition in this event (Woodcarving). However, a blue-ribbon piece in novice can be entered in intermediate the next year. If it wins another blue ribbon in intermediate, it can still be entered in the open section the third year. If you win two (2) or more blue ribbons, not with the same piece, in novice, you must compete in intermediate the following year and thereafter. You may enter ONLY one (1) level, Open Class, Intermediate, or Novice.

19. Ribbons and cash prizes will be awarded for 1st, 2nd and 3rd places in open, rough-out, woodburning, and wood turning. There will be ribbons only for 1st, 2nd, and 3rd place in each class in intermediate and novice. Honorable mention ribbons in the open classes, may be awarded at the discretion of the judges, but are limited to two (2) per class. There is no limit to honorable mention ribbons in the Novice or Intermediate classes.
20. If the Agricultural prize is won anytime, that entry is not eligible to win the Agricultural prize in the future.
21. The Erie County Agricultural Society prize must be chosen from the Open Woodcarving classes. Open best of show and second best of show are not eligible for the Erie County Agricultural Society prize.
22. Rough-outs and class projects may only be entered in rough-outs, intermediate and novice. In the open section, if a rough-out is part of a group scene, the whole carving will be deemed a rough-out and must be entered in rough-out. This does not apply to intermediate and novice. Rough-outs are not eligible for merit awards or Best of Show.
23. All pieces must have some unique title and if the exhibit consists of multiple pieces, they must be contained (even if temporary) on a common base. This aids the judges and the secretaries in proper identification when placing awards.
24. No furniture will be accepted.
25. There will be no sale of pieces in the building with the exception of the Make-A-Wish tables. Demonstrators and exhibitors will not be allowed to make sales, if someone is interested in purchasing a piece, you may give them your information and the sale may be completed after the close of the fair.
