Hunter Over Fences

Each horse will individually negotiate a course consisting of at least 8 jumps over a minimum of 4 different obstacles. At least one change of direction is recommended. The hunter should provide his rider with a safe, consistent ride at a working pace over a course of fences similar to those that might be encountered in the field. This requires that all horses must be serviceably sound and any horse showing evidence of lameness, broken wind or impairment of vision will be excused from the ring by the steward, show vet or judge.

Horses will negotiate obstacles with style and consistency. Credit will be given to horses that show the capability of picking their way through the course when obstacles warrant it, and willingly respond to the rider's cues on more difficult obstacles. Horses with artificial appearance over obstacles will be penalized. The course must be designed to show appropriate gait differences (walk, jog/trot, lope/canter, halt, back). A minimum of 6 obstacles will be used. Time in excess of 30 seconds or 3 attempts in approaching an obstacle will eliminate the score for the obstacle and the rider will proceed to the next obstacle. The class will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider and attitude. This class may be ridden in either English or Western tack or attire but not a combination of both.
