Out of a 1st calf heifer, MSTT 314Y, is bred for calving ease, while still offering great performance. He is thick made, deep bodied bull who has plenty of eye-appeal and should add pounds to the next generation. Check him out at www.luralimousin.com		Marb
		-0.09

If you want to add growth and power to your next calf crop, take a look at Boomtown. A full brother to JBV Believe It, Champion and high seller at the 2012 IA Beef Expo now working in the Sedlacek herd, this homozygous polled herd sire prospect is deep sided, big topped and stout structured. See his video at www.vennerlimousin.com

Cattleman's Family Legacy Heifer Scholarship Program

The Cattleman's Family Legacy enables an established cattle producer to assist a young person in starting their career in cattle production by awarding a heifer to a scholarship recipient. A Western Junior Livestock Show applicant is selected to receive the heifer and must agree to show her at the 2013 Western Junior Livestock Show.

★ CONGRATULATIONS ★
EMILEE ELWOOD, GORDON, NE
Western Junior Livestock Show Scholarship Recipient

This is a moderate framed bull that is easy fleshing and his progeny should fit many markets. He is homozygous black so all calves will be black. He had a yearling ribeye scan of 15.9.
