**Northampton, MA** – The area's Great Late Summer Fair, the Three County Fair, kicks off its 206<sup>th</sup> consecutive edition, Friday, September 1 through Monday, September 4 with advance discounted tickets going on sale Friday, June 30.

"We welcomed some of the largest crowds back to the fairgrounds last September, and in return we have put together a family friendly festival with thrilling experiences for everyone" said James Przypek, General Manager of the Three County Fair. "We are especially excited about two different 'you need to see it to believe it' national acts to this year's Fair, The Magic of Lance Gifford and the American Motor Drome Company's Wall of Death." added Przypek.

The Three County Fair is well known for its motorsport's events, such as its unique school bus and mini-van demolition derbies, car "enduro" and lawnmower racing, plus truck and tractor pulls. The Fair also boasts a wide selection of thrill rides for all ages, its Baby Barnyard, racing pigs, parakeet encounter, a dozen different food trucks, and agricultural and livestock competitions featured daily.

"Live music will once again be a big part of Labor Day weekend at the Three County Fair" continued Przypek. "We have North America's number one Shania Twain tribute artist, Shania Twin, with Canadian native, Donna Huber performing with her band, plus local favorites such as American Idol contestant, Katherine Winston and The Voice contestant Cara Brindisi." In all, the Fair will have fifteen different live music performances over the four days, all of which are free with general admission to the Fair.

Parking at the Fair is free and general admission to the Fair is free for children ages 11 and under. Adult admission is only \$12 when purchased in advance online, otherwise \$15 at the gate.
