

KNOXVILLE CIVIC AUDITORIUM TECHNICAL PACKET

The Knoxville Civic Auditorium-Coliseum is located at:

500 Howard Baker Jr. Avenue Knoxville, TN 37915.

Please confirm in advance if truck(s) can be taken directly to the loading area or if they should be staged elsewhere.

DIRECTIONS TO LOADING AREA

From: (I-75 North and South/I-40 East)

I-40 East to Exit #389, Broadway/Hall of Fame. Turn right onto Hall of Fame Drive. Turn left at the fifth spotlight onto Howard Baker Jr. Avenue. Take your first right onto Honor Our Troops Drive. Take your first right onto Historic Preservation Drive. After passing the parking garage and overhead pedestrian walkway, take your first right into the tunnel. All trucks need to be backed into the tunnel. Please make sure your event manager has a parking guard to help direct traffic as Historic Preservation Dr. is a busy street.

From: (I-40 Westbound)

I-40 West to Exit #388, James White Parkway. Take James White Parkway to Hill Avenue/Riverside Drive. Exit at spotlight, turn left onto Hill Avenue. Take first left onto Historic Preservation Drive. Follow the same directions as above.

We unlock the tunnel if we are expecting you. If the gate is locked, call our 24/7 building security at 865-660-7619.

CIVIC AUDITORIUM

The 2,500-seat Civic Auditorium provides a spacious, yet intimate, live entertainment venue. The auditorium hosts dozens of dance performances, plays, stand-up comedians, and musicians each year including the Knoxville Symphony Orchestra's Pops Series. The 62-by-54-foot stage with 24-foot wings includes a 27-by-57-foot proscenium. An orchestra pit is available for live accompaniment and orchestra performances. In the spacious backstage area, dressing rooms, chorus rooms and quick-change rooms are available for performers and crews.

SPACE/STAGE

- 62 x 54-foot stage, 24 foot Left and Right Wings. 27 x 57-foot proscenium
- 60-foot-wide by 12 foot deep orchestra hydraulic pit with depth options of stage-level, 5 feet deep and 14 feet deep
- 24 x 8 front-of-house mix position located in the rear of house in the left center seating section
- ½ Ton Stacking Motor Mid Stage Right
- One Man Lift available on stage
