MINUTES OF THE PUBLIC WORKS BOARD MEETING

March 27, 2023

Members present: Casey Krieger, Shawn Roux, Lowell Thompson, Bruce Visser Also present: Brian Rasmusson Members Absent: Bob Ramstad, Pete Fetting Call meeting to order. 5:34 pm **Approve minutes:** Motion: second: Items added to agenda: None Approve agenda: Motion: Visser, Second Roux. All in favor, motion passed Old business: Water: None Sewer: None **Electric: None Street: Frontend Loader:** This is the third meeting we have discussed the specs. for a new loader, the board wanted to make the loader more versatile in the future so we can add different attachments if we wanted to. One of the attachments the board wanted to plan for down the road is a blower for the loader so we wouldn't have to rent a tractor every year for our PTO drive snow blower. Brian put some specs together by using different things that we liked on the estimates that we received from different companies. The board liked the specs but we all decided that Brian and Bruce will get together to get the final specs. The specs that we have put together are mostly standard options on every loader. The board members where all in agreement that we should try to get our recommendation to Council sooner than later because we have to advertize for bids for 2 weeks than open bids and bring that to council. The time frame for receiving a loader after being ordered could be 3 months to 12 months depending on availability. Other: None **New business:** Water: None

Sewer: None

Electric: None

Street: Spring Flooding: Bruce Visser asked about having a plan for spring flooding, Brian told the board that as it gets closer Public works will barrow the Side by side from the fire Dept. and close each gate (valve) on every structure to make sure they close completely and then open all of them 25 turn and we will leave the wrench on them so if they need to get closed in a hurry everybody knows that 25 turns will close the gate in any structure. Brian said that he would ask Ashley if Gary Johansen from Norman County Highway Dept. has mentioned anything about a flood preparedness meeting this spring. **No Action Taken, Info. Only**

Other: Next meeting: April 24, 2023

Adjourn meeting: Motion to adjourn by Roux, Second by Visser all in favor, motion adjourned at 5:53 pm
