2) Committee Members – Will appoint in February

B. Administrator / Clerk / Treasurer Report.

1) Department Updates

a. Dekko Hot Tub

Administrator Larson updated council on the happenings within the departments in the City of Ada. An ice rink liner was installed recently, with the help of a number of volunteers coming out to assist with this project. A huge thank you from Manager Eggen and Administrator Larson to the volunteers who helped.

Larson's next item of concern for the Dekko Center was the hot tub. A new heater for the hot tub is being installed soon and the hot tub should be up and running when complete. The steam room is still not operating and an estimate to fix it is very expensive. This will be a topic of discussion at future council meetings. Swimming lessons, weight loss challenge and other winter activities are ongoing this winter. Staffing is still a concern.

Administrator Larson went on to discuss what was keeping Public Works busy and that is snow removal. Cleaning streets and moving snow to dump sites have been the norm. The snow emergency and vehicle towing ordinance has been addressed and a reminder to citizens has been a constant to enforce the ordinance.

Larson went on to discuss the happenings at the liquor store. Sales were great in the month of December. End of the year inventory was taken at the end of December and final numbers for 2021 will be complete at the time of the audit.

The police department concerns are ongoing with Chief Bueng and being able to cover his shifts as he is still unable to return to work after COVID complications. The main officers have taken on extra duties as well as the sheriff's department to cover these hours.

- 2) One Fund Drive – Due Date February 28, 2022 – a friendly reminder
- 3) Housing Rehabilitation Grant – Made it through the first round.

Administrator Larson updated council regarding the approval of the Housing Rehabilitation Grant. The City of Ada has made it through the first round of approval and are awaiting the final round, which is anticipated by March or April.

- 4) History of fires in Norman County-Ted Aanenson

Ted Aanenson has presented to the City of Ada a booklet of the history of fires and other major events that transpired within the fire department. Thank you, Mr. Aanenson!

Dekko Community Center Ada Mn

To Whom it may concern

I have been contacted and have done a site inspection of the facility located at 107 4th Ave E in Ada, MN.

From the inspection the conclusion of replacing the current spa with an updated Spa that would be ADA compliant and energy efficient would be the most cost-effective option for the center.

Since this project wouldn't be able to start until 2023 due to budgeting, this would be just a guideline to have a base line for budgeting and fundraising.

MN Department of Health Permit fee	\$1500 for Therapy Pools
Engineering fee if MN Health requires	\$10,000 for blueprints and signed by Civil Engineering firm
Commercial Grecian Spa in ADA vault	\$60,000

MN requirements

HE equipment and liquid Chlorine system

The spa can take up to 4 months to manufacture and once the Center is ready to move forward a contract with all options will be listed. This amount is based on the market today 1/12/2022 and we have seen anywhere from 15% to 45% price increases throughout this year. To lock in pricing, we would place order on an account with a signed contract and we bill in progressive payments, so you pay for the work that is done.

Sincerely,

Dan Dumas

Commercial sales, design, GM
