B. Administrator / Clerk / Treasurer Report.

1) Department Updates

a. Dekko Center Improvements.

i. Hot Tub

Administrator Larson discussed option with council regarding the repair or replacement of the hot tub at the Dekko Center. A repair could last for more than a year or six months. Obsolete parts are a problem, as well as the complication of getting to a leak.

ii. Steam Room

Administrator Larson discussed option with council regarding the repair or replacement of the steam room at the Dekko Center. A repair could last for more than a year or six months. Larson stated that Manager Eggen was having a hard time getting replacement items to repair the steam room. She is working with Trane to find a resolution.

Monies to fund these repairs or replacements would come from the Dekko Fund that was set aside for this type of project. There is approximately \$77,000.00 remaining of the original \$500,000.00. Future Dekko Foundation dollars are a possibility, but not a guarantee. An infrared sauna was brought up by Manager Krieger and as discussion continued it gained more popularity.

There was a lot of discussion regarding the repair, replacement or go with other similar options for both the hot tub and steam room.

Member Nelson made a motion and a second from Member Mathsen to spend up to \$15,000.00 for the replacement parts and repair of the steam room using COVID funds to cover the costs. All in Favor: Nelson, Mathsen, Stene and Lewis. Opposed Krieger, Roux and Erickson. Motion passed

b. Police Department update

i. County PD officers

Administrator Larson updated council with regards to police coverage with the officers available. Chief Bueng has continued to recover from complications of COVID. The middle of March is the new timeline for Chief Bueng to return to work. The county has helped relieve some pressure, but that won't continue based on what our patrol needs are.

ii. Part Time officer

Administrator Larson addressed the council regarding a part time police officer and why it is needed in the City of Ada. This position would relieve the overtime pressure the City is going through right now, with Chief Bueng out. A rate per

hour was discussed and \$25.00 per hr. was recommended to be posted when advertising the position.

Motion by Member Krieger and seconded by Member Roux to approve posting for a part time officer position with a starting rate of pay at \$25.00 per hour.

All in favor: Nelson, Mathsen, Erickson, Stene, Roux, Krieger and Lewis. Opposed NONE Motion passed

- 2) Reimburse cell phone costs to Manager Rasmusson and Manager Eggen

Immediately following the formal prom dance, areas of the school are used for entertainment until about 2:00 a.m. Activities, games, and food are all planned, and we encourage all the Juniors and Seniors (along with their dates) to stay and enjoy the party with their friends.

We are again requesting donations of cash and merchandise to help finance the event and the donations will be used for prizes, food, decorations, and games.

THANK YOU for your past donations and support for the After Prom Party! We hope you will again support our efforts for a safe and fun party for these students and their dates.

Donations can be made payable to:
