

## **Inclement Weather**

The City of Ada Parks and Recreation reserves the right to close the staffed outdoor skating rink whenever we feel it is in the best interest and safety of all users and staff.

### **All rinks and lights will remain open unless:**

- The air temperature reaches -10 degrees or colder.
- The wind chill index reaches -20 degrees or colder and/or wind chill warning has been issued by the National Weather Service.
- Warm temperatures soften the ice.
- When 3 inches or more of snow accumulates on the ice surface.

## **Public Skating Policies & Rules**

- Please follow all direction from warming house attendants and City of Ada staff.
- The warming house attendant is responsible for safe skating conditions and will make the final decision, relative to safety considerations.
- Report all accidents and injuries to staff immediately.
- Skate at a sensible and safe speed in the same direction as other skaters.
- Hockey sticks and pucks may not be used on the general pleasure skating rink.
- No shooting pucks inside warming houses.
- Refrain from throwing snow and ice.
- Stay clear of all maintenance vehicles when their clearing rinks.

## **THIS RINK & BUILDING IS UNDER SURVEILLANCE**
