4-H Quiz Bowl, Livestock Judging suspended for 2020

GRAND ISLAND, Neb. (August 12, 2020) – The competitions being suspended are the livestock judging and quiz bowl contests. Both contests were carefully reviewed and due to the travel restrictions of teams from out of state, along with their funding source changes, the decision is made to suspend the competitions.

This decision does not affect the livestock competitions. The shows are absolutely going onward as scheduled.

The Aksarben Stock Show presented by the Aksarben Foundation remains on schedule for September 24 – 27, 2020. The safety and well-being of our guests, exhibitors, contestants, vendors, sponsors and community always comes first, so we are closely following the directives of local and national health agencies: Central District Health Department, Department of Agriculture, the City of Grand Island, Hall County, and the Nebraska Governor's Office.
