Teams may consist of three or four members each. The three members with the highest overall scores will make up the team total. However, the contestant with the low score is eligible for individual awards.

If more than three 4-H or more than three FFA teams enter from the same state, preference will be given to the teams that placed higher, as a team, in their respective state contest.

The contest superintendent will contact the state 4-H extension leader/state FFA organization to determine which teams will be eligible to compete in the Aksarben Livestock Judging Contest.

An entry fee of \$160.00 will be charged for each team (3 or 4 youth) entered. Up to 2 additional alternates per team may be entered to judge (\$40/alternate) as individuals. Entries and fee payment can be made online www.aksarbenstockshow.com by **Friday, September 9, 2022**. A fee of \$160.00 per team and \$40 per individual (maximum of two additional individuals per team) must accompany entry forms. Money received from entry fees is used to defray contest expenses.

Each state that has youth entered in the Aksarben 4-H/FFA Livestock Judging Contest is responsible for medical/accident insurance for those youth while traveling to and from Aksarben as well as during the Aksarben 4-H/FFA Livestock Judging Contest and other events associated with the Aksarben Stock Show.
