# Request for Proposal

The Aksarben Stock Show (AKSS) is seeking a livestock producer to provide up to 10 lambs for the 2024 Lamb Challenge Program.

About the Program:

The Aksarben Lamb Challenge Program has been designed to allow youth the opportunity to experience growing and showing a market lamb. Lambs are provided in the spring by the Aksarben Stock Show and Lamb Sponsor with the financial support of Sponsors/Partners.

The Aksarben Lamb Challenge Program is open to all youth ages 9-19 years old from 14 states including Arkansas, Colorado, Illinois, Indiana, Iowa, Kansas, Minnesota, Missouri, Montana, Nebraska, North Dakota, South Dakota, Wisconsin, and Wyoming. Up to 10 youths are chosen through an application process. Once selected, the lambs are the exhibitor's responsibility to feed, train and show throughout the year. Participants are evaluated on their projects from the time they take ownership to returning to the Aksarben Stock Show. Individuals are scored based on their record books, sponsor letters, interview, showmanship, live placing, and average daily gain of their animal. Although lambs become the responsibility of exhibitors at the time of pickup, we encourage the Lamb provider to stay involved throughout the year, especially when it comes to exhibitors having any questions.

Specifications of request:

The Aksarben Stock Show is looking for up to 10 lambs from a producer to utilize as this year's Lamb Challenge Lambs. We tentatively plan on picking up lambs on a Saturday morning in April.

We are looking for the following from a producer:

- A uniform set of up to 10 lambs based on weight and age. Ideally a set of same sex lambs and averaging 60lbs with +/-15lb variances.
- Cost for each lamb provided.
- A producer willing to communicate and support the exhibitors as needed as it pertains to the husbandry and management of the lamb.

- On pickup day, provide herd health management practices, an education piece regarding lamb production, insight into feeding and showing, and background on producers' operation.
- Attend the Lamb Challenge Competition at the Aksarben Stock Show.

Please submit a proposal communicating the list above as well as any other information you find important for AKSS Staff to know when making their decision.

Proposal submissions will be accepted until 5 pm CST, Friday, Sept 1<sup>st</sup>, 2023. Upon completion of the evaluation by the selection committee the producer will be contacted to confirm. Once confirmed and contract signed, other producers will be notified.

### **Aksarben Stock Show Conditions and Rights**

This will be a 3-year contract with evaluation at end of first and second year done by AKSS Staff with the ability to terminate contract at the end of either of those years.
