Review the breeding/market show rules for more details

- a. **Show Management reserves the right to move any breed into an AOB division provided there are five (5) or less total head entered.** Alternatively, Show Management reserves the right to make any breed derivative (i.e. Shorthorn Plus, Maintainer, Lim-Flex, etc.) found within an AOB division its own breed division provided there are five (5) or more total head entered. Texas Longhorns are exempt from this rule. Grouping of breeds not meeting the minimum will be at the full discretion of the Superintendent. Minimum breed criteria for a division can be ignored if interested parties sponsor a specific breed division for (\$600 or more by July 1,2022).
- b. Cattle classes will be **broken at the discretion of the show committee.** Every effort will be made to keep the classes as competitive as possible.
- c. To be eligible for the **Performance Documented classes**, along with completed entry forms, exhibitors **MUST** provide validated performance documentation from the Alabama BCIA Commercial Record Keeping Program. Cattle **MUST** be from an Alabama reared contemporary group of **more than** three (3) animals. Adjusted weaning weight, weaning weight ratio and number of contemporaries will be the information provided to the Judge. Performance Documented is exempt from minimal entry requirement.

4. Judging:

- a. Exhibitors are fully responsible for knowing the times at which their projects will be judged. **Any project not presented promptly for competition may be ruled ineligible**, to which complaints will not be considered. No complaint or protest claiming that the judge overlooked a project will be considered.
- b. If any exhibitor, in any way, whether in person or by agent **interferes with the judge(s) during adjudication**, or shows any disrespect to them or the show, is subject to be penalized. The Rules Committee may demand a proper apology, may exclude him/her from competition, ban from future competition, and/or withhold any prizes that may have been awarded.
- c. **Official Protest or Complaints** - Official Protests/Complaints must be submitted on form (provided in Teague Arena Office) to the Show Superintendent by exhibitor and accompanied by a \$300.00 deposit, which will be forfeited if the protest is not sustained. Exhibitor will remain anonymous to the rule violator. The protest must state plainly the cause of complaint or appeal, giving good and sufficient reasons therefore, and must be delivered immediately upon the occasion for such protest. Any protest not officially filed within 24 hours of the alleged incident or four hours prior to show will not be considered. These cases will be ruled upon by the Rules Committee, who will have full power to act, and from whose decision there can be no appeal. **Judging procedures will not be interrupted for protest investigation.**
- d. **The decision of the judges shall be the final in all cases.**
