To Whom It May Concern,

The Alabama Junior Cattlemen's Association will be hosting a Spring Junior Cattlemen's Field Day on Wednesday April 10, 2024. Juniors from across North Alabama will meet at the Northeast Alabama Agribusiness Center in Rainsville, Alabama. Please excuse your students from school activities to participate in this educational event.

Participants will undergo Beef Quality Assurance Training and will receive their Certification. They will be able to apply what they learn during the certification with several hands-on activities related to cattle handling, herd health, and record-keeping. This event is free of charge and lunch will be provided.

If you would like more information on this event or our organization, please visit www.bamabeef.org/fieldday, or contact Reid McGuire.

Sincerely,

Reid McGuire
