

# YARD BOSS 3 GRAIN SCRATCH

270980

*This feed is designed as a multiple grain scratch for poultry*

---

## Guaranteed Analysis

Crude Protein	(Min)	9.00	%
Crude Fat	(Min)	2.00	%
Crude Fiber	(Max)	4.00	%

---

## Ingredients

Wheat, Steel Cut Yellow Corn and Milo.

## Feeding Directions

This feed is to be provided to poultry as a grain scratch. This is not a complete feed and does not provide minerals and vitamins

Provide to Poultry Free Choice. Always provide clean water. Always make sure that feed is free of mold and insects. When making changes to a poultry diet, do so gradually over a one-week period.

This is a three-grain scratch with Milo added for the grower who likes a bit more than just corn and wheat in a scratch grain. It will provide a slightly different mix of vitamins, minerals and color pigments and theoretically could offer a bit more pigment to the egg yolk. Like other scratch grains, it is meant to be fed to mature birds as a treat to encourage the natural scratching that chickens tend to do and is not meant to be a stand alone complete feed. It should be fed alongside a complete layer feed to provide addition energy.
