PIG GUIDE

How to care of your pig farm animal.

Love

- Care and play with your pig.

Food

- Feed your pig a balanced diet of corn, barley, and freshwater. Pigs love fruit and vegetables!

Shelter

- Provide a secure and comfortable shelter for your pig, protecting them from rain and wind. Pigs' skin can also sunburn. Do not let your pig have too much sun!

Health

- Clean your pig's area.
- Do regular checkups of health like going to the vet or doctor.

Exercise

- Take your pig to exercise. They enjoy walks or provide an area for them to roam.
