

DIVERSION BY DONATION PROGRAM

YOUR DONATIONS MAKE A DIFFERENCE!

The Baltimore Convention Center cares about the environment and the local Baltimore community. Please help us towards increasing our waste diversion by donating specific leftover items (listed below) to local non-profits. BCC staff will collect this material and distribute it to these non-profits.

THE FOLLOWING MAY BE DONATED:

- Lumber, brick pavers, planters
- Uncut carpet
- Promotional items like pens, pencils, pads of paper, clothing, lanyards, tote bags
- Exhibit booth furnishings, such as tables, chairs, display cases, light fixtures, etc.

HAVE SOMETHING THAT YOU'D LIKE TO DONATE?

Send an email with an item description and photo (if possible), along with your booth number, to

donation@bccenter.org

If what you have isn't listed, send us an email and we will try to match your items with a local non-profit.

If you are donating items to another organization, please email us photos or a list of items to so that we may track it in our diversion numbers!
