

Benton County Agricultural Society
PO Box 118
Sauk Rapids, MN 56379
(320) 253-5649

The Benton County Fair will be held August 4th – 9th 2026 and we would like to invite you to be part of our sponsorship program.

We are a 501(c)(3) nonprofit organization that is privately owned and operated. We are not affiliated with Benton County or any city government and do not receive funding from the county or local municipalities. The fair relies entirely on sponsorships, donations, exhibitors, and volunteers.

The Benton County Fair is a multi-generational event that showcases and educates how the food that we consume is grown, our stewardship to the animals in our care and the new technology in farm equipment. The fair also provides affordable family entertainment, delicious fair food, truck and tractor pulls and demolition derbies in the grandstand. It is a great place to meet an old friend and make new ones.

We plan each fair to reflect the values, culture, history and heritage of our community and are excited to continue with our sponsorship program. We invite you to be a part of this long standing annual event. Being a free gate fair, we estimate that we have 100,000 consumers of all ages and interests from across the area come through our gates. We would like to share the exposure and visibility to you to promote your services and/or products to our community.

Please join us as our valued sponsor and help provide an opportunity to instill the importance of community involvement, agricultural education and the making of lifetime memories.

Completed forms can be mailed or emailed. Please feel free to contact the Benton County Fair office with any questions.

The Benton County Agricultural Society and Fair Board Directors would like to sincerely thank you for your interest and support in the fair. We look forward to working with you.
