PROHIBITED ACTIONS:

Abusive language(verbal and written), threat, assault, vandalism, theft, use of unauthorized alcoholic beverages and all other inappropriate actions may result in immediate removal from the Bismarck Event Center and arrest or prosecution of the parties involved.

GROUNDS POLICY:

Event Center grounds are defined as the Event Center parking plaza on Bowen Avenue, green areas, the perimeter of the building, the parking lots and the buildings. The Event Center strives to provide an environment that encourages all patrons to use its facility, services, and resources in a respectful manner. The Event Center believes in providing free access to, and communication of, ideas and information that reflect the broad range of interests in the community we serve. This policy prohibits certain activities and imposes reasonable restrictions on certain activities to prevent unreasonable interference with patrons' enjoyment of the Event Center.

Parking Lots Event Center parking lots are provided for Event Center users and staff for the use of the Event Center facility, services, and programs. Commuter and overnight parking, overnight sleeping in a vehicle in an Event Center parking lot, and any other use of parking lots by individuals who are not actively engaged in using the Event Center facility are prohibited. Misuse of the Event Center parking lots will result in ticketing and/or towing of the vehicles.

Sales and Solicitation Individuals, groups, or organizations are prohibited from selling or distributing any goods or services or soliciting funds anywhere on Event Center property, except in association with rental of the Event Center, Event Center partnerships, or as a component of an Event Center-sponsored program or event.

Signs and Posters All outdoor signs, other than those produced by the Event Center, are prohibited on Event Center property. Signs posted on Event Center grounds will be removed and disposed of by Event Center staff. Applying graffiti anywhere on Event Center property is prohibited. Artistic mediums, e.g. sidewalk chalking, are allowed on Event Center property only if sponsored or produced by the Event Center.

Camping Sleeping, camping, or utilizing Event Center grounds for activities not related to Event Center services are prohibited. "Camping" refers to the use of Event Center grounds for lying down and sleeping, use of Event Center grounds that interferes with Event Center services and usage of the grounds and facility, use of Event Center grounds to store belongings, or use of Event Center grounds as a temporary shelter or living quarters. If Event Center employees or security personnel observe people acting in violation of this policy, they will be told to leave. Police will be summoned if they fail to leave, and they will be trespassed from Event Center property.

Petitioners The Event Center is mandated by federal and state law to permit individuals to gather signatures, display hand-held signs, pass out fliers, and engage in other expressive activities protected by the First Amendment to the U.S. Constitution, so long as the passage of Event Center patrons to and from the facility is not impeded and these activities are conducted outside only. These individuals shall be referred to as "petitioners." This section outlines basic and reasonable content-neutral guidelines for petitioners on Event Center grounds.

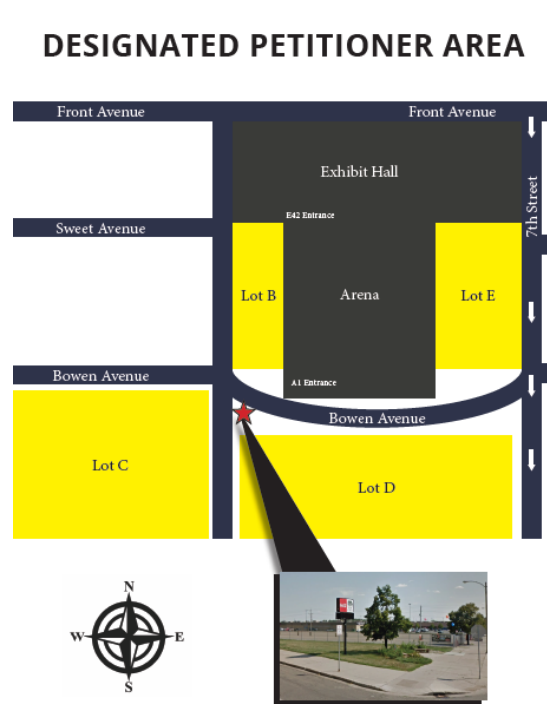

A petitioner must not act in such a manner so as to hinder ingress or egress to the Event Center or to in any way intimidate, confront, or accost an Event Center patron entering or exiting the building. A petitioner shall not call out or shout to draw attention to the petitioner. All activity shall be conducted in a normal tone of voice, and the use of identifiable signage is encouraged. Petitioners must limit literature distribution and petition circulation to defined locations to control the flow of the crowds and to provide a safe and orderly environment for Event Center patrons

Any petitioner utilizing a table and/or chair, which must be furnished by petitioner, shall be set up in the area on the Northwest corner of Parking Lot D at the intersection of Bowen Avenue and Fifth Street, so as to not hinder ingress or egress to the building from any direction. However, a petitioner must not solicit in an area that hinders ingress or egress to the building from any direction, which includes that they will not be closer than 100 feet from any facility entrance nor will they be in the parking lot area

Anyone violating this policy will first be warned by an Event Center staff member. If the conduct continues, the petitioner will be required to leave the Event Center grounds. The presence of petitioners does not constitute an endorsement from the Event Center of the opinions or points of view expressed or espoused by the petitioners, and petitioners will not suggest such is the case.

SECTION 9 | MISCELLANEOUS

BOOKING POLICY:

The reservation of space in the Bismarck Event Center/Belle Mehus follows a three-stage process (*tentative, confirmed, and contracted*). To begin the process of routing the event, an event organizer/promoter must contact the Bismarck Event Center/Belle Mehus staff to provide notification of interest in use of the facility, the date(s) of the proposed event, as well as some preliminary information. If there is no scheduling conflict with the proposed date(s) and the Bismarck Event Center/Belle Mehus staff determines the event is appropriate for the venue(s), the event is designated as *tentative* on the master calendar and the date will be held.

In the case of multiple events desiring use of the same space(s) on the same date(s), the Bismarck Event Center/Belle Mehus reserves the right to establish which event benefits the City of Bismarck when making a decision on which event is awarded the use of the facility. This evaluation is based on, but not limited to, criteria such as number of hotel rooms used, number of hotel nights, utilization of food and beverage services, and comparison of the event with Bismarck Event Center's mission, etc.

Upon the event's date-hold assignment, the organizer/promoter is required to complete and submit the *Pre-Booking form*. This form provides detailed information about the event and the event's organizer/promoter. After this form has been submitted, a background check is completed and the information supplied is to the satisfaction of the staff, the next stage is to *confirm* the event. This may require a face-to-face meeting with the Bismarck Event Center/Belle Mehus staff. This meeting will help complete the terms of the contract, finalize the fee for facility use and determine the scope of services and support needed to make the event a success.

When both parties are satisfied with event specifics, contract terms and the contract are out for the requisite signatures, the event is *confirmed*. Upon receipt of the fully executed contract by the Bismarck Event Center, the event is *contracted*.

Notes (policies can change without notice):

Because each event is different, a final licensing fee cannot be given until all information about the event is known to the Bismarck Event Center/Belle Mehus staff and associated departments. The fee will be noted in the Facility Use Agreement with an attached Proforma Invoice. For information about the Bismarck Event Center/Belle Mehus use fees please consult the most recent Rate Sheet.

Tentative holds on dates will not be held for longer than two weeks without the Pre-Booking form (when required) being submitted to the Bismarck Event Center/Belle Mehus staff. If active communication is present from the LESSEE, *Tentative* holds can be on for longer than two weeks. If the Pre-Booking sheet is not received within two weeks, the date becomes open and other interested parties are considered on a first-come first-serve basis.

Prospective LESSEES can request to be placed as a second hold for an event date; should the current date-holder's event get cancelled or otherwise no longer be considered for the Bismarck Event Center/Belle Mehus. To be placed as a second hold, the event organizer/promoter is required to have the Pre-Booking form on file with the Bismarck Event Center/Belle Mehus staff. These events are considered in the order of requests received – predicated upon receipt of the necessary paperwork and meeting the booking requirements of the Bismarck Event Center/Belle Mehus.

While an event is in the *tentative* stage, an organizer/promoter desiring the same date can issue a challenge to the current tentative date-holding organizer/promoter. In order to issue a challenge, the organizer/promoter must: a) have a Pre-Booking form for their event on file with the Bismarck Event Center/Belle Mehus staff; b) must meet the Bismarck Event Center/Belle Mehus booking requirements; and, c) must submit a non-refundable fee to be determined by the staff. Once the requirements are met, the staff will notify the tentative date-holder of the challenge. The date-holder is then required to go to *contract* within forty-eight (48) hours OR submit a deposit to maintain their tentative hold status. The requisite deposit amount is determined by the staff and will, generally, be applied toward the deposit or fee required at contract signing. If the *tentative* date-holder does not respond as required above, the date is issued to the challenger who must be prepared to go immediately to contract.

This evaluation will supersede the above policy on event date challenges.

All events require a deposit to be returned with the executed Facility Use Agreement. The amount of the deposit varies. Typically, the deposit is fifty-percent (50%) of the total anticipated rent for the event with the balance due along with other services requested or required with final billing after the conclusion of the event. For first time events and/or events with inadequate references, no prior event sponsorship in facilities similar to the Bismarck Event Center/Belle Mehus, record of slow payment, etc., the deposit may be one hundred-percent (100%) of the anticipated rent with remaining services requested or required billed at the conclusion of the event. Deposits will be made in a form acceptable to the Bismarck Event Center/Belle Mehus finance department.

Until the Bismarck Event Center/Belle Mehus approves the event and a formal Facility Use Agreement is fully executed, there is no legal or binding agreement between the Bismarck Event Center/Belle Mehus and the applicant.

The LESSEE cannot use their own personnel in lieu of the Bismarck Event Center/Belle Mehus staff and contract personnel for facility and event operations duties (e.g., setup/conversion/teardown, crowd control, security, custodial services, etc.). Use of LESSEE personnel for other duties, if allowed, must be approved by the Bismarck Event Center/Belle Mehus staff.

No event can be advertised as being held in the Bismarck Event Center/Belle Mehus, nor tickets sold for the event, until a Lease Agreement, or Letter of Confirmation has been signed by both parties and a deposit has been paid to secure the date.

All promotional materials must be approved by the Bismarck Event Center/Belle Mehus Marketing & Sales Manager prior to their public release.

Once an event is *contracted*, the LESSEE will forfeit their entire deposit for cancellation of the event if another date cannot be rescheduled within a year from the original event date.
